How to Use This Book

If you have always wanted to learn the basics of German, but traditional methods seemed overwhelming or intimidating, this book is for you! Just follow the directions below and soon you'll be able to say dozens of words and phrases in German.

- Follow the illustrated prompts and say the phrase quickly and smoothly. Emphasize the words or syllables highlighted in red. A strikethrough means don't pronounce that letter.
- Learn to string together words or phrases to create many more phrases.
- Draw your own pictures to help with memorization and pronunciation.

Note: This book may produce Americanized German.
