

# Strut O-Rings Advisory

The o-rings in the Ximango landing gear struts are standard aircraft o-rings. They can be purchased from any capable supplier. Be sure to purchase o-rings which are intended for use with standard MIL-H-5606A (red) aircraft hydraulic fluid, not automotive or other fluids.

The sizes are codified in two standards - AN and MS - and both are shown in the table below.

## LANDING GEAR O-RING SIZES

IPC FIG. #	IPC P/N	ID (in)	OD (in)	W (in)	AN 6227B DASH NO	MS28775 DASH NO	# REQ'D PER STRUT	# REQ'D PER A/C
6	11671	1 1/8	1 3/8	1/8	21	216	2	4
10	10014	1 7/8	2 1/4	3/16	31	328	3	6
11	10572	1 1/2	1 7/8	3/16	28	325	3	6
