

BSA Range Master Training Archery & Tomahawk Certification

April 11, 2026 • Staten Island, NY

BSA Archery Range Master

This is to open and run a safe range for Cub Scouts only. Boy Scouts ("Scouts") require a USA Archery Level 1 certification.

BSA Tomahawk Range Master Class

This is to open and run a safe range for Scouts, Venturers, Explorers, and Sea Scouts only (not Cub Scouts or Webelos).

The BSA Archery Range Master course provides leaders with the necessary tools to maintain a high level of safety on and off the range. Students must successfully complete an in-person practical.

What You Will Learn:

- Range safety
- Range setup
- Steps of shooting
- Equipment & repair
- Program management
