

**Mossy Creek Cruzers
Car Club**

**September 2020 Edition
Volume 103 • Editor: Pat Dukes**

Ramblin On

Only **26 days** until the **Fill the Truck With Toys Car Show**. It will be again held at Bush's Visitor Center in the ball field at the back of the Visitor Center. The date of the show is Saturday, October 10th from 9:00 am until 3:00 pm. *Still so much planning to do!!* We will be presenting trophies this year and the cars will be judged by three Cruzers that have been judges at other shows. We will have about 30 trophies that will be awarded to all different cars.

If you would like to be on the car show committee, please step up and help us. Our regular members of this committee has been reduced a little because of Covid and people not getting out so we need to replace as many of them as we can. *We need you!!* If you haven't been on the committee before, you can start it now. It takes a few people with a lot of ideas to produce our shows. We have a great reputation for having great shows and we want to keep having great shows!! If you would like to join us, just come to a meeting when we get one planned, which will be very soon, and *bring your ideas with you!!*

On **Saturday, September 19th**, we are meeting at First Peoples Bank in Jefferson City, to leave there at **3:30 pm**, for a Fun-Run!! We are traveling over to the Downhome Restaurant in Rutledge for dinner. Drive your classic or just your daily-driver, whichever you prefer. The food there is delicious and they are also a big supporter for our ad book each year. Please let Vic Rola know if you are going so we can have enough tables reserved. Vic's email is vicrola1@gmail.com.

Hopefully by 2021, everything will be back to normal and we can get back to cruisin' and having a good time with our vehicles by going places!! I am sure that we all miss getting out and having a good time and hopefully that will all change soon!

Remember, our monthly meetings are continuing to go forth at Shoney's in Dandridge at exit 417. It is the first Tuesday of each month at 7:00 pm. If you plan on having dinner, please come early so that you have time to eat before the meeting starts.

Everyone Welcome!!

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!

For Cruzers, the drive is about more than wheels

The Mossy Creek Cruzers stay close together when it comes to classic wheels, but they have another purpose that unites them just as much—helping out their community, especially its children.

Cruzers can be found distributing commodities to organizations that feed needy families weekly at Tractor Supply in Jefferson City on Thursday. Lots of the members of the

Cruzers volunteer their time and energy to load the trucks and trailers and even some people that aren't club members are there helping out. Most people don't realize what a large need there is right now and we try to help.

A car show is planned for October 10th and will be held at the ball field at Bush's Visitor Center. The fee is to bring a new, unwrapped toy which is then donated to Christmas in Jefferson County and Kingswood Home for Children.

A few of our other charities are the volunteer fire departments, shoes for kids, criminal justice class and more.

A special thank you goes out to the Standard Banner newspaper for the page and a half article last week.

Mossy Creek Cruzers Car Club

Letter from the President

Hello Cruzers,

We know it is time, time for the Mossy Creek Cruzers Fill the Truck with Toys Car Show in Dandridge, Tennessee!!! It is located at the Bush's Visitor Center in the Chestnut Hill area of Dandridge. The show will be held Saturday, October 10th from 9:00am until 3:00pm. Friends gather to enjoy the music, the beautiful vehicles, and of course, the good food.

Walk around the car area and look at some of the most beautiful antique and classic cars and trucks in East Tennessee. We have vehicles from Jefferson and surrounding counties and even a few from out of state. You can find beautiful vehicles and the unique rat rods that everyone finds so fascinating. With the vast variety of vehicles that attend, you should be able to find one that is your favorite to see.

Mark your calendar so you won't forget Saturday, October 10th. Listen to the music and tap your toes. Music will be playing throughout the day for the pleasure of the crowd. Sing along, dance and just have a good time.

Come and join in. The smell of good food floats through the air with each of us searching for our favorite vittles!! There will be hot dogs, hamburgers, and Philly cheese steak. Find your favorite foods and sit at the picnic tables at the pavillion to eat and enjoy.

Come on down and be ready to visit with friends, look at antique and classic cars and trucks, play games, eat delicious food and snacks, listen to good music, stay all day and have plenty of fun! Spectator admission is free.

The Mossy Creek Cruzers Car Club was established in 2012 and is a non-profit club. The club supports the Jefferson County Rescue Squad, Jefferson County Volunteer Fire Departments and West Hamblen County Volunteer Fire Department, Christmas in Jefferson County, Kingswood Home for Children, as well as a few other children charities.

If you would be interested in joining the Mossy Creek Cruzers Car Club or for information, call Pat @ 865-363-5891. So Remember Saturday, October 10th, and come on out to the ball park at Bush's Visitor Center in Dandridge (Chestnut Hill) on Highway 411. It will be a day of fun. So bring your lawn chairs and stay all day. We would love to have you join us.

9th Annual Mossy Creek Cruzers Car Show.

Keep Cruisin',
