Ramblin' On!

7th Annual Mossy Creek Cruzers "Fill the Truck with Toys" Car Show

We know it is time... time for the Mossy Creek Cruzers "Fill the Truck with Toys" Car Show in Dandridge, (Chestnut Hill), Tennessee!!! It is located at Bush's Visitor Center, 3901 U.S. Hwy. 411, in the ball field. The show will be held Saturday, August 25th from 10:00am until 3:00pm. Friends gather to enjoy the music, the beautiful vehicles, the fun games and of course, the good food at the show as well as Bush's Cafe.

The registration fee to enter a vehicle in the show is a new, unwrapped toy which is donated to Christmas in Jefferson County. People's Choice trophies will be awarded, voted on by the people that enter the show.

Walk around the car area and look at some of the most beautiful antique and classic cars and trucks in East Tennessee. We have vehicles from Jefferson and surrounding counties and even a few from out of state. You can find beautiful vehicles and the unique rat rods that everyone finds so fascinating. With the vast variety of vehicles that attend, you should be able to find one that is your favorite to admire. Spectator admission is free to all.

Listen to the music and tap your toes. Music from the 50s and 60s will be playing throughout the day for the pleasure of the crowd. Sing along, dance and just have a good time. Music supplied by D.J. Richard French.

There are games scheduled to play at different times of the day. Have you ever played a game called Piston Toss where you toss a real motor piston into a tire or the Fan Belt Toss which is similar to horse shoes? Take a stroll in the Poker Walk game where you walk to five different places to draw a card then back to the starting spot. There is also a Corn Hole game. The games will be played all day and are free to play and you could win a gold dollar. We have cake-cookie walks scheduled throughout the day and the person will win a cake, donuts or cookies, whatever their choice. Listen for the cake walk to be announced when time to start.

Come and join in. The smell of good food floats through the air with each of us searching for hot dogs and hamburgers. Sit at the picnic tables to eat and enjoy or take the short walk to Bush's Cafe.

So come on down and be ready to visit with friends and look at antique and classic cars and trucks, play games, eat delicious food, listen to good music, stay all day and have plenty of fun! Spectator admission is free.

The Mossy Creek Cruzers Car Club was established in 2012 and is a non-profit club. The monies made at this show will help fund local charities. The club supports Jefferson County Rescue Squad, Christmas in Jefferson County, individuals in need and a scholarship fund for senior students who are in the Mossy Creek Cruzers Junior Car Club at Jefferson County High School as well as several other charities in other counties.

If you would be interested in joining the Mossy Creek Cruzers Car Club or for information, call Pat @ 865-363-5891. So Remember Saturday, August 25th, and come on out to Bush's Visitor Center. Bush's offers a great Cafe as well as a General Store and even a Museum. It will be a day of fun. So bring your lawn chairs and stay all day. We would love to have you join us.

SEPTEMBER 4th CLUB MEETING

At the September meeting, we need to decide where we are having our Thanksgiving dinner and our Christmas dinner. Since we are having two dinners, maybe one can be at a restaurant and the other one can be where everyone brings a dish and the club supplies the meat. Decisions to be made. Plus we need to decide on our charities for the year.

Letter From the President

Hello Again

This is Larry, President of the Mossy Creek Cruzers. It is almost time to nominate new officers for the club. At our October meeting, officers will be nominated so you need to decide who you would like as new officers or who you would like to stay as officers. Election of these nominations will follow at the November meeting.

At the end of this year I am retiring as President of the Mossy Creek Cruzers. We have others in our club that are very capable of leading us into the future. I am not retiring from the club. I intend to still be a very active member, helping out anyway that I can. Although I have thoroughly enjoyed being President through the years, I have decided that it is time that I pursue other plans that I had upon my retirement from my job, which included a LOT OF FISHING!!

Please serve your club as needed by volunteering often!
