Volume 59  
Editor: Pat Dukes

Another great year for the Mossy Creek Cruzers Car Club! We started the club in March of 2012 with lots of interest from local car enthusiasts. At the very first meeting we had the room at Shoneys full and quite a few joined and are our charter members. In the second year we had over 100 memberships with most of those being couples. That was our best year. Each year we have new members come and a few go but we still remain the best car club around!

We support our community through all of the charities we have. In 2016 we supported Knoxville Children's Hospital, our local Special Olympics, Christmas in Jefferson County, the Junior Mossy Creek Cruzers Car Club at Jefferson County High School, the Jefferson County Rescue Squad and all of the volunteer Fire Departments in Jefferson County. (We are still in the process of donating some of this).

The club also goes to car shows that support charities in their areas. Each club helps each other to be able to donate to their particular charities and people in need.

The Mossy Creek Cruzers Car Show is Saturday, July 8th this year from 9 am until 3 pm. It will be held at Jefferson Middle School on Highway 11E in Jefferson City. Let's make it the biggest and the best show yet. All members try to attend to support your club and we will invite all the other car clubs and individuals in East Tennessee!

It is time to start selling the ads for our Car Show brochure. If you can help us sell some of the ads, (they are easy to sell) please let Pat know as soon as possible. We will have a special meeting about the ads soon so we can divide them up between the volunteers that help. We have copies of the ads sold last year to help us with this year's sales. We divide them up in Dandridge, Jefferson City, Morristown, Rutledge, East Knoxville, New Market, Sevierville, Talbott etc. That makes it easier to know what your area will be so we don't go to a place more than once. If you haven't sold before, you can team up with someone so they can show you how to sell them. We will let you know when the meeting will be so that you can attend. Our brochure was 16 pages in 2016, lets go for 20 pages in 2017!! Go Teams!!

Pat needs for everyone to update their addresses, phone numbers and/or email addresses if you have had anything change.

In 2017, let's all try to attend more meetings for the club so you will have a say in all that we do. It is only one hour out of your month and so much can be accomplished in that hour! A new thing this year is that one paid dinner will be given away at each meeting to an attending member by the luck of the draw!

Our cruise-ins start April 7th this year. Maybe it won't be so hot during this summer so more of you can get those beautiful cars out and drive to the cruise-ins. 50-50 tickets will be sold so maybe you can also win some money!!

**Don't forget that the membership fees for 2017 are due. The fee remains \$20 for you plus your spouse or significant other. You can mail the fee in or bring it to the February meeting at Shoneys. Address at bottom of page to mail to.**

The Mossy Creek Cruzers Car Club monthly meeting is held the first Tuesday of each month at Shoneys in Dandridge
