Kingswood Home for Children

By Carol Ehm

On Saturday, August 10th, five cars, led by Dan Gelacek in his 1968 Corvette, departed from the Ingles East parking lot in Morristown and headed to Kingswood Home in Bean Station. We arrived to an anxiously awaiting group of young people. The boys and girls were so excited to be driven around the Kingswood campus in the 3 Corvettes, a Chevelle and a Cobra. Rumor has it that there was some rubber left there as the drivers were easily encouraged by the kids! After about 2 hours of joy riding, we all enjoyed some pizza. These young people are all amazing. They are so polite, have wonderful social skills and love to help. You can meet this wonderful group of kids at the car show for the benefit of Kingswood. The show will be held on Saturday, September 21st (rain date the 28th) at Ingles East in Morristown. There will be children's activities so bring the family!

UPDATE ABOUT THE KINGSWOOD HOME FOR CHILDREN SHOW: 9/21/19

The show went very well, not a lot of classic cars but plenty of activities for the children from Kingswood as well as other children that showed up for the fun. *Even Elvis was there and even performed!!* So it must have been a good show! Thanks to all of the Cruzers that helped with the show, by going to the meetings each time and offering suggestions to actually working the day of the show with the games and at the registration booth as well as anything else that was needed during the day. Thanks to Tracy and Dan for videoing the day and it can be seen on YouTube at Tracy's Midlife Mamaw channel. And many, many thanks to Dan Gelacek for all of his continuous good will toward the children at Kingswood Home for Children. This show would not have been possible without the effort and love of Dan for these children. Not only did he produce this show and worked diligently for this show but he continuously takes support and treats to them throughout the year! He is a champion for their cause!! Remember, we can still bring items to the cruise-in for Kingswood...bring anything, non-perishable food, toiletries, and we will get the items to them!

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!

Letter from the President

Hello Cruzers,

I don't know about you, but I am glad that our shows are over for the year!! Lots of work goes into planning these events, probably more than you realize and it can be very stressful! We did very well on both shows, the July show and the Fill the Truck with Toys. Not as many toys this year but rain had been in the forecast and although it did not rain, lots of people are concerned that it will, so they don't get these beautiful, classic cars and trucks out even if there is a chance of rain. But we really thank all that did participate and we will distribute the toys in November. Until then they are in a safe place.

We will discuss our charities for the year at our October meeting to be held at Shoney's. It is time to decide where we want our donations to go, and how much to each.

October is also "nominations" month for officers in our club. If you want new officers or want to keep the current ones, we need to discuss this month. If more than one is nominated for an office, there will be a secret ballot election in November. Our club does not have term limits so it is up to you.

You must be present at the meeting to vote.

THINGS ON MY MIND: I keep thinking about all of the members of our clubs and other friends and family. As we grow a little older, we meet head-on with so many of our friends and family that has sicknesses. It just breaks my heart to think of all of my friends that are now lost to me. So be sure to say what you need to, to these people now, before it's too late, while you still can!!

Have a great month and keep cruisin'.

Thanks,

Pat Dukes, President, Mossy Creek Cruzers Car Club
