

**Mossy Creek Cruzers
Car Club**

**JULY 2019 Edition
Volume 89 • Editor: Pat Dukes**

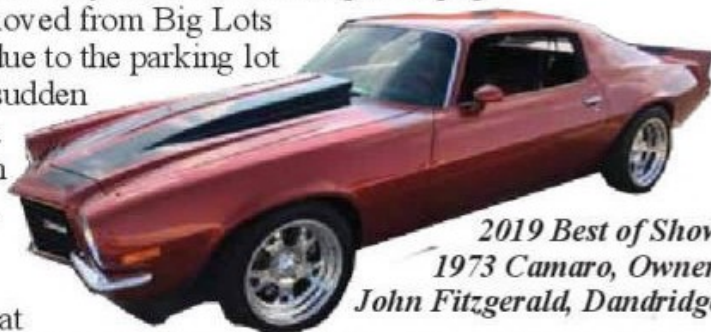

Ramblin' On

What a *fantastic car show* the Mossy Creek Cruzers had on July 6th this year!! Our thanks go out to Bob Millard and Ron Lucas for their judging skills. Even in this hot July weather they did a great job of picking the top 25 plus several other categories this year. We gave a total of 50 plaques and trophies and dash plaques to the first 150. Next year we need to order many more dash plaques for all of the cars that entered the show. We had almost 200 registered plus a lot that did not register. Probably around 250 vehicles and we are hoping for more in 2020.

Go ahead and mark your calendar for August 24th, 2019, for the Fill the Truck with Toys show at Bush's Visitor Center. **In 2020**, the Cruzers shows are July 11th at Jefferson Middle School and August 22nd for fill the truck with toys at Bush's Visitor Center. Notices will be sent out for all of these! Remember all of the other shows going on this year too. They are listed on a separate page.

For those of you that do not know, We have moved from Big Lots for our cruise-in on Friday evenings. This move was due to the parking lot at Big Lots having sink holes that just started all of a sudden and now there are 5 or 6 huge holes in the parking lot.

Just so thankful that none of our cars were there when it started!! We have moved to Wal-Mart in Jefferson City.

*2019 Best of Show
1973 Camaro, Owner,
John Fitzgerald, Dandridge*

We are in the parking area beside the Auto Center. We can take our chairs out into the grassy area and if you would like to bring a canopy/tent, that would be welcome!! There are two or three trees but it seems like we all try to fit underneath for the shade. But if we had a few tents, that would help immensely! The cruise-in being held at Wal-Mart is giving us much more visibility and will be even better when we get our sign moved from Big Lots, that will bring in more vehicles, thus more members. So far it has been great!

Cruzer Vic Rola, has set up a fun-run for us. We're going to head to the Amis Mill Eatery (www.amismill.com), just outside of historic Rogersville, TN. The drive there, and the one back, take approximately sixty minutes ... the roads and countryside, are good to look at, and to tour through! So, save the date ... July 27th ... fire up your ride (or its back up vehicle...).

We're going to gather in the **Karm Store** parking lot, east of Jefferson City on AJ Highway, leaving at 4:00 sharp! Pre-registration is once again required. To register, email Vic Rola, at vicrola1@gmail.com. Hope to see you there.

We survived our first show of the year (LOL) with one more to present. I would like to personally THANK all of the Cruzers for being such great volunteers this year!! You guys were wonderful. And thanks to Criminal Justice JCHS teacher, Jim Potts, for assisting with 4 of his students. They were great!

Paper products*

Letter from the President

Hello Cruzers,

The time sure does fly by!! Seems like just yesterday it was early April and the car season was starting. Now here it is half over!!

I feel that our cruise-in move to Wal-Mart in Jefferson City is for the good. Everyone seems to like it pretty well. We get to sit in grass which helps the heat factor of sitting on black top! Just need to start bringing a few tents to set up each week for more shade. Please give the club feed-back about how you like this space for the cruise-in. Several places to eat that are fairly close, Wendy's, Hardee's, Gondolier, and we could order pizza from Papa John's! You all know how we like to eat!

The show at Jefferson Middle School was a huge success which should make you proud to be a Cruiser. I had lots of emails about the show and only one that was negative. It was negative because she misunderstood about the winners. She thought a "Honda" won best of show but it was a Honda motorcycle that won their division. A 1973 Camaro won best of show. When I explained that to her she offered her apologies. (Is that spelled right? Not sure) LOL.

Officer Jim Potts is very good with his Criminal Justice students from Jefferson County High School. He had 4 to come to our show to help with traffic control and hopefully we can get them again for our show in August. Thank you, Jim, very much!!

Thanks,

Pat Dukes, President, Mossy Creek Cruzers Car Club
