## *Ramblin On*

It doesn't seem possible that the summer of 2020 is gone and now the fall season is almost gone too. Only about a week to Thanksgiving and then Christmas following close behind it!! 2020 has been a terrible year, the worse I ever remember. Let's all hope and pray that 2021 will be better and Covid will be far behind us!! In 2021, we hope we will have both car shows, July and October (or August, whichever we decide on).

Nearly all of our Christmas Parades have been canceled for this year.

They are usually so much fun but safety comes first.

We need to have everyone that wants to be a part of the Mossy Creek Cruzers Car Club to rejoin for 2021 if you haven't already. In 2020 we have let members slide about their club dues but to continue to receive the club newsletter each month, as well as emails, you need to start rejoining in January 2020.

Also in January we elect Board of Directors. If you are interested in serving on the board, let one of the officers know.

Don't forget the Christmas dinner on Friday, December 4th, It will be held at Owens Restaurant on Highway 92 in Dandridge. It starts at 6:00 but come a little early to help set up. Also don't forget to bring a man wrapped gift for a man and a woman wrapped gift for a woman with a value of around \$10. Pay Carol Ehm \$15 in advance and be sure to let her know if you are coming or not.

As most of you know, the same officers were elected again for 2021.

If you have questions, feel free to call any one of us and if we don't know the answer, we will find out and will let you know.

Hopefully in 2021 we will be able to plan a few things for the club to do. A few short trips to some auto places and then to eat at unique restaurants. Or maybe other tourist places.

If you have any suggestions, don't hesitate to call one of us and let us know. This year has been terrible so hopefully 2021 will be a great year!

## Letter from the President

Hello Cruzers,

As most of you know, I have always wanted a golf cart for the club to have for our car shows or whatever else we might want to use it for... well take a look at these. I think they are great!!

Just think how cool it would be to have one of these...it would just fit right into the look of our club!!

I know this is not something that we will have but wanted to share these pictures with all of you. Enjoy looking at them!

Keep Cruisin',
