What a fantastic car show the Cruzers had at Bush's Visitor Center. It was our sixth annual Fill the Truck with Toys show. We had the show a little early this year but it proved much better because the weather was perfect! We had so many very generous entrants from Cocke, Sevier and several other counties. A lot of children will have big smiles on their faces on Christmas morning because of the donations from this show. So thank you to each one of you for your very generous amount of toys that were donated as well as a few monetary donations. This is a show that we are very proud of. The suggestion for it came from a member that no longer lives in this area. He called it Fill the Boat with Toys but we changed it to a Truck.

The car show was held at the ball field at Bush's Visitor Center which has plenty of room for as many cars as we have and room to grow much larger. Thanks to Max Fultz, manager of Bushs, for the support you gave us. We had plenty of signs to show everyone how to get to it.

*Enjoying
the
day!*

SUNDAY, SEPTEMBER 24th - The Greeneville Ridgerunner Car Club has again invited the Cruzers to come to their annual picnic. It will be held at Kinser Park starting at 1:00 pm. If you would like to go, we will meet at Gold Team Collision in Jefferson City at 11:00 am to go together. Or you can drive up on your own if you prefer to do that. They furnish the hamburgers and hot dogs but request that everyone bring a dish. The address is 710 Kinser Park Lane, Greeneville. When you drive in just follow the road until you see a large covered pavillion to the right. For the members in Morristown, We will come by Ingall's East for you to join us, about 11:30 am.

Saturday, October 14th, Former Cruiser Dan Gelacek, has invited the Cruzers to go to Kingswood School to visit and give rides to the children there. He asked that we meet at Ingall's East in Morristown at 1:30 and we will travel there together. Sounds like a good cruise!

Letter from the President, Larry Boggess

Hello Cruzers,

October is nearly here and time to nominate new or seated officers. Each member has a duty to look at our members and nominate members that are suited for each office. This is a serious time for our club and shouldn't be approached lightly. Everyone should attend the October and November meetings and voice your opinion. You may choose to renominate officers that are already in office or to choose new officers. There are no time limits in our club. A nominee should be a member at least one year, according to the By-Laws.

Thanks to each of you for making this a great year for our car club, the Mossy Creek Cruzers.
