

Happy Valentine's Day

FEBRUARY 2022 Edition
Volume 119 • Editor: Pat Dukes

Ad sales have started for this year for our book! Several volunteers have already started and plans are made to go out right away. Everyone seems to happily give to our club. They realize what a good thing we do with all of the money by supporting lots of children's charities plus the volunteer fire departments. This is our seventh or eight book so the customers know us and that makes it easier. If you are interested in helping sell the ads, just let us know. If you have a business you should buy an ad too!!

MEMBERSHIP FEES ARE DUE

This is the time of the year that all of the planning starts for events and fun-runs of the season.

Vic Rola is already planning places for us to go and fun-runs to take all around the area.

The car show committee will start meeting soon, when Dan Gelacek gets all the volunteers lined up. He has agreed to be the Car Show Director this year for both shows. Last year's Director also did a great job!

The Cruise-in will again be held at Tractor Supply in Jefferson City. Such a wonderful place! Lots of visibility from the highway. Our sign will be put up before the April start-up so even more people will know about it this year. Let's fill the parking lot up!

This will be our best year yet!! Everything is falling into place and we have wonderful members. Our last few meetings have been a lot of fun as well as business. That is what it is all about... our love of these antique and classic vehicles bring real friends together. Our sound system will be used at the cruise-in this year and 50-50 tickets sold! We are buying new canopies to put up in the parking lot for more shade. The grassy area will still be available too!

We will invite other clubs to join us also. More about the cruise-in as it gets closer to April.

The Cruise-In runs from April 1st through October 28th.

Mark your calendars for the days of our shows and Cruise-Ins! The show at the American Book Company is July 9th and the Fill the Truck With Toys is October 8th at Bush's Visitor Center in Chestnut Hill (Dandridge). Try to make them all!! You will have fun!!

Valentine Day Party

The Cruzers had a great Valentine's Day Party on February 3rd at The Captain's Galley Restaurant. It started at 5:00 p.m. so that we would have time to party with games and dinner before they closed at 8:00 p.m. An email was sent out about the party and it was also announced at the monthly meeting. So if you missed it, you missed a lot of laughter and fun!! And also getting to know other members. The food there is so good and everyone seemed to enjoy that!! Plus it was just a few days past Pat's birthday so that was celebrated too!! She said it seemed like she had about 3 birthdays a year now with time going so fast!! Anyway, you missed a lot of fun!

St. Patrick's Day Party

The Cruzers had such a fun time at the Valentine's Day party that they decided to have a St. Patrick's Day Party too!! The date is Tuesday, March 15th at Lisa's Country Kitchen in Jefferson City at 5:00 p.m. (They close at 8:00 p.m.) We will have dinner and then play games like we did at the other party! So much fun to have and the games are hilarious. Small prizes will be given out to the winners of the games. The food is very good at Lisa's so there won't be any complaints there! I will send out an email about this (just as I did the other party) but will send earlier so plans can be made. Please email me or call me if you are coming. 865-363-5891 or mossycreekcruzers@aol.com. Thanks

Letter from the President**Hello Cruzers,**

I am so proud of the Mossy Creek Cruzers Car Club and all of the members. When starting the club, I didn't know if we could pull it together or not. But here we are, all these years later, still together and enjoying it!!

We have helped so many people and organizations with our donations. That also makes me and the club proud!

This year we are going to have a lot more fun-runs, things to do together, and just enjoy each others company!

Can't wait to get through the winter so we can shine our vehicles up and start doing these things.

If you have suggestions, just let Vic Rola or me know. Vic's number is 865-207-4303.

Keep Cruzin'**Pat Dukes, President - 865-363-5891****Mossy Creek Cruzers
