## Letter from the President

Hello Cruzers,

This is basically the same letter that I put in the newsletter one year ago, but thought it has a lot of the same things that I want to say this year! So here goes!

As 2020 begins, I have been elected as President of our club for a second term. I appreciate the faith you placed with me to lead our club for a second year! I will try my best to continue the great work that our previous Presidents have done. We have such a great club and fantastic members and I will need all of you to help me achieve the goal of making it even bigger and better. Any suggestions that you may have, don't hesitate to bring them to the attention of the Officers or the Board of Directors.

The Car Show Committee is the biggest part of planning our shows and we have a "great reputation" now for presenting good shows! Any member can volunteer to be on the Car Show Committee. We meet a couple of times a month, during the day, for an hour or two to plan how our shows will be presented. New ideas will be appreciated to keep our show at the top of the shows that participants want to attend. We plan on giving out a lot of trophies again this year so we need that advertised and the fact that we will have judges Bob Millard and Ron Lucas picking the top 25 from 1999 and older. Then the Fab-Five out of those 25 and then Best of Show out of the Fab-Five. Plus trophies for Rat-Rods, In-Progress, Imports, 2000 and older and whatever other ones that the committee decides. So come on and join the committee and make your ideas known. The more divisions the better!!

Our 2020 Ad Book is ready for ads to be sold. This is our main source of our income. If you would like to volunteer to sell the ads for our book, just let me know. The deadline in getting the ads sold is the end of March. Books will be ready for all of the cruise-ins. We have a list of previous people that have advertised so that should make the sells easier. Just let me know if you can help! If all members sold just one or two ads, just think how great our book would be!! As it is, only three or four go out and sell all of them. Just ask people where-ever you shop! Ask your barber, hair dresser, your mechanic, the store where you shop, the dry cleaners, the wrecker guy, your Doctor and Dentist, hardware stores and best of all the Restaurants!! They are all people that need to advertise their businesses and this is tax deductible to them since we are now a 501C3 Non-Profit club! If you need help selling, I can go with you and teach you how!!

*So let's all help our club!!*

Pat Dukes

President, Mossy Creek Cruzers Car Club

## Tales From the Past

Over the years of writing the newsletter, I have asked members to write something for publication for all the members to read. Whether it is funny, sad or how you came to love these wonderful vehicles, it would be interesting for the others to read and get to know each other and have a good laugh or maybe a good cry!! You can turn your stories in to Pat for publication.
