## **WELCOME New Members!!**

### **Blue Springs Baptist Church Car Show**

Saturday, June 1st was a beautiful, sunshiney day and the Cruzers were enjoying fellowship by starting out at Lisa's Restaurant in Jefferson City for breakfast. We laughed and had a good time there!

It is always fun to cruise together for a few miles. I never know how fast I am driving so thought I was going pretty slow but was told otherwise when we got to the church!! My speedometer does not work so I need to slow down!

And of course we ate again at the car show, that's what these cruises are about, cruises, good company and food!

Blue Springs Baptist Church always has a great fish fry at the church and it is well worth the \$8 fee for such good food.

Music was nice and the corn hole games were amusing and tents were erected to shield the sun.

At the end, they started calling winners of the top 10. Again *Jerry Collins* and his black Ford truck was one of the top 10! *Jerry, we are so glad that you are a Cruzer!!*

And the end, the suspense was growing and they called out, okay the winner of the \$100 for the club with the most cars attending..... the Mossy Creek Cruzers!! *Great job everyone!*

Pat Dukes  
accepted  
the \$100 prize  
for club with  
most participants!!  
Great job, Cruzers

## **Thanks to all CRUZERS! We Are Proud!!**

## **LETTER FROM THE PRESIDENT**

Hello all of you Mossy Creek Cruzers,

I apologize for the May meeting. I think everyone will agree that the June meeting was like the old Mossy Creek Cruzers meetings. The Officers had a meeting last week and discussed changes for our monthly meetings. I announced the changes at the June meeting and everyone cooperated for the most part but we still have a couple of things to work on. I am so pleased with how the meeting proceeded. Everyone was courteous and considerate of each other. This is the way our meetings will be conducted from now on, calmly and orderly.

Congratulations to the Mossy Creek Cruzers for having the most cars at the Blue Springs Baptist Church Car Show on June 1st and winning the \$100 prize. "Thank you" to everyone that attended. It was for a good cause.

The members at the meeting voted to donate the \$100 the club won, and we took up a collection for one of our members in their time of need. He has dialysis three times a week as well as other problems. The total, including the \$100, was \$300! This is what our club is all about, helping others! Let's keep up the good work!

Larry Boggess  
President

## Meeting held at Shoney's in Dandridge - June 4th, 2013

We had 31 members and 1 guest attending our June meeting.

President Larry Boggess started things off with a prayer and the pledge of alligence to the American flag.

Joan Hance was the first speaker. She had told us about one of our members who is very sick and on dialysis three times a week. They are having a hard time with finances due to his sickness. Michelle Tipton made a motion that we give the \$100 that we just won at the Blue Springs Baptist Church Car Show to this family. A second came quickly from Patty Graf. Everyone approved. We also passed a hat and got a total of \$166 from the members that were

present. Update: Joan received a few more donations so that the total was \$300! She met with the family and gave it to them. That is what this club is about, helping people!

Larry wanted new rules to be known before the actual meeting started so he stated them here. If you have something to talk about, it has to go on the agenda by either calling one of the officers or telling one of them before the meeting starts. If something comes up we can discuss it. Time limits will be applied with approximately 5 minutes for each subject. When someone is speaking wait until they finish before you make comments and raise your hand and be recognized before speaking. Be respectful of the person speaking by not talking among yourselves! That is very distracting to others around you that want to hear what the person who has the floor says. Always stand up when recognized so that your voice will carry better and everyone can hear you. Turn all cell phones off or at least to vibrate. These rules are for the betterment of our meetings and will be followed from now on.

Pat Dukes read the minutes from our May meeting. Gene Honeycutt made a motion to accept with a second from Sue Burch. Motion passed.

Gene Honeycutt gave the financial report. Motion to accept by Phil Hackman with a second from new member, Scott Day. Motion passed.

### OLD BUSINESS

Sue Burch is sending out donation request to all the large car related businesses. Pat furnished her with the donation forms and letterhead with our club logo on it. She will need stamps to send these.

Kenny Graf spoke of his grand opening cruise-in that takes place on July 6th. He has food vendors, music, 50-50 tickets all scheduled and taken care of. The Jefferson County Humane Society will be on premises with adoptable animals and will take up donations and pet food.

We had a lot of discussion about a sound system. Questions were brought up. One is available and is of good quality, a Peavey. Our treasury just can't afford it now. NOTE: This has now been taken care of by the generous donation of the money to purchase this by one of the Cruzers. 50-50 tickets will be sold at the cruise-in on Friday nights at Big Lots and that money will be used to repay this member.

Bud Morello, head of the Bush Visitor Center Show, brought forth ideas about buying t-shirts, caps, coolers, sunglasses, license plate frames etc with the Mossy Creek Cruzers logo on them as another way to generate money for our charities. Several members wanted to know if he had pictures of what he has in mind and he said he would have a catalog at the next meeting. Robert Ferguson suggested that we have a list to pass around at the next meeting. Tabled until the July meeting. The question was also brought up about what if we buy all of this and then it rains the show out.

### NEW BUSINESS

June Howerton said that Courteney Kalezweski's parents want to do a car show in Courteney's memory for the 2nd Harvest Food Bank at the DINER in Sevierville on October 5th with a rain date of October 12th. Courteney was the young lady that we did a benefit for last October to with her funeral expenses as well as help a couple of others that were hurt badly in the church van wreck. She helped out at the food bank. The 2nd Harvest Food Bank covers 18 counties including Jefferson and all the surrounding counties. A motion was made by Robert Ferguson that we do this and a second came from Patty Graf. Motion Passed so we will have this show in the name of the Mossy Creek Cruzers.

Meeting adjourned.

## ••••• The Club now has a Sound System! •••••

Thanks to a Mossy Creek Cruiser member, we now have a sound system to use at our cruise-ins and anywhere else we would like to use it! The member paid the money and we will now sell 50-50 tickets at the cruise-in to pay him back. We took up donations a couple of weeks ago and came up with \$157.00 which will be given to him. President Larry Boggess has a generator that he will bring so that we don't have to depend on anyone else for electricity. So come on out to the cruise-in on Friday nights at Big Lots in Jefferson City and help us pay off the loan to him!!

The system is a Peavey system which is one of the best brands & the price was right. It should last the club a long time! No money will come out of the club's treasury, it will all be the 50-50 tickets! Great way to do this!!

Come and enjoy the music & help us by buying a 50-50 ticket.

Every Friday Evening at Big Lots in Jefferson City!!

Come and enjoy the music and companionship!

### Mossy Creek Cruzers Car Show at Bush's Visitor Center Horse Arena and Ball Field August 24th • 9:00 am until 3:00 pm

We will have show set-up days Friday and possible Thursday. Many areas of our show need more man power including giving out flyers at all the car shows and cruise-ins that you go to before the show. The parking areas for the registered vehicles will be marked off and each person will learn what they will be doing the day of the show. Also the ones that will be in the registration booth should be there on Friday to learn the method to register everyone unless you have to work your regular job. If you can't be there on those days we still need you on Saturday. *Please volunteer* to help out the day of the show so that it won't be so hard on a few of the members. We can all do a part of it even if for a short time.

So remember, this is your club too and we really need you for this day. Let's all work together to keep this one of the best shows around!!

Please volunteer, just let Glenn, Bud or Pat know!! (Or just show up)!!

### Auction to be held during the August 24th Show!

We are planning an auction to be held during the car show to help raise money for our club so we can give more to charity!

If you have car related items that you would like to donate or give a percentage of to the club please let Bud Morello know. His number is 423-258-6867 or email him at [bjud@live.com](mailto:bjud@live.com). The club will split the money with you if you want it that way. We will get donations from businesses too to help raise more money.
