RAMBLIN' ON

As most of you know, our ad sales for our 2018 booklet, has started. We have several very good members out selling the spaces. We have sold two full page ads so far as well as a lot of the smaller sizes. But we need your help. If everyone would sell **just one ad** (which can be as low as \$25) then it would take some of the burden off of the ones that are working hard. If you have a business, why not advertise here to help promote your business as well as to help the club raise more money for charities and for things that the club needs to continue on. If your son or daughter has a business, maybe they would want to advertise. Our deadline for selling these ads is the end of March. We should check a lot of new places as well as our established customers, it is an open slate out there, so at least try. The prices will be sent on a separate sheet and will show all of the sizes. When you sell an ad, just collect a business card, letterhead or whatever they want to be in their ad and get a check made out to Mossy Creek Cruzers. Then get all of that to Pat so she can get the artwork set up on the booklet.

If you would like to offer suggestions on things to do for the club, contact us. Also if you have a business, and would like to advertise in the newsletter, just let Pat know. If you are a member it is free to advertise in the newsletter.

It won't be long until our cruise-in starts at Big Lots in Jefferson City! Let's try to all attend this year. Even if you can't be there every week, try to attend whenever you can. It is still on Friday evening starting the first week in April from about 5:30 until 8:00. We have the club trailer lettered with the club logo and have plans to pull it to the cruise-in each week. We will have a table to set up with club information on it as well as the flyers for our car shows. And we can answer questions that prospective members may ask.

If you have anything to have published in this newsletter, just submit to the Editor (Pat Dukes). We would like to know stories of you and your vehicles through the years. Also there is a For Sale section.

..... The year was 1955

Rolling on the floor laughing!! Not that long ago!!

- I'll tell you one thing, if things keep going the way they are, it's going to be impossible to buy a week's groceries for \$20.
- Have you seen the new cars coming out next year? It won't be long before \$2000 will only buy a used one.
- If cigarettes keep going up in price, I'm going to quit. A quarter a pack is ridiculous!
- Did you hear the post office is thinking about charging 4 cents just to mail a letter?
- If they raise the minimum wage to \$1.00, nobody will be able to hire outside help at the store.
- When I first started driving, who would have thought gas would someday cost 25¢ a gallon?
- It won't be long before young couples are going to have to hire someone to watch their kids so they can both work.
- Thank goodness I won't live to see the day when the Government takes half our income in taxes. I some times wonder if we are electing the best people to government.
- The fast food restaurant is convenient for a quick meal, but I seriously doubt they will ever catch on.
- There is no sense going on short trips anymore for a weekend. It costs nearly \$2.00 a night to stay in a hotel.
- No one can afford to be sick anymore. At \$15.00 a day in the hospital, it's too rich for my blood.
- If they think I'll pay 30¢ for a haircut, forget it.
