Ramblin' On!

2018 Mossy Creek Cruzers Car Show was held on Saturday, July 7th, 2018

All week before the show there was rain.

But good fortune was with us and it turned into a beautiful day all day long on the 7th! The vehicles and vendors started coming in early and the lot was full at the starting time of 9 am. The opening ceremonies had a prayer, Pledge of Allegiance to the flag and a few other things to get us started.

The fifties and sixties music drifted through the air and had people tapping their toes with the memories of that music in our youth! Our D.J., Richard French, did a great job of announcing, giving away door prizes and promoting the vendors all day! Thank you Richard!

This is the eighth annual event that the Mossy Creek Cruzers has promoted to enhance the charities of the club's choice. We support charities and also have another show called "Fill the Truck with Toys" which gives toys to underprivileged children. It will be August 25th at Bush's Visitor Center in the ballfield.

All of the food vendors really go all out for the day, bringing us a variety of foods for everyone's enjoyment. Start off the day with hot dogs, hamburgers, pizza, pinto beans, corn bread and fried potatoes! Then we had donuts, popcorn and ice cream. Oh so good, the aroma will keep you hungry from the time you arrive. Always come hungry so that you can enjoy the different varieties of food.

The Cruzers meet the first Tuesday of each month at Shoney's in Dandridge at 7:00. Everyone is welcome to come. We would love to have more car enthusiast join our club and be a part of this close family of friends. So many conversations about these vehicles and the trials and tribulations of the good times and the bad times, the fun - runs that we plan, our picnics, and cruise-ins. Come and join us. Still only \$20 per year and you get a free T-Shirt for the member.

The Mossy Creek Cruzers Car Show is made possible through the generosity of our sponsors. We thank our sponsors for their continued support of the car show which without them would not be possible. To become a sponsor please call Pat at 865-363-5891.

So remember the good times, summer in the air, a chance to see old friends, tap your feet to the music and eat good food. Come one, come all, have a grand old time!

LETTER FROM THE PRESIDENT

Hello Cruzers,

So many activities going on this time of year!! Where do we go? What do we do? Do we try to go together as a club or just show up on our own? Oh the decisions to make!! But the one thing I can say for sure... We sure do have a lot of fun and get to see a wide variety of friends from different clubs all over!

Our club has made friends with several clubs in our area and it is so good to converse with them about the way they do things as compared to the way we do things.

There is a cruise-in or car show every weekend somewhere so you can stay as busy as you want. There are so many that now they are starting to be on evenings during the week as well as weekends.

Let's just go to as many as we can.

Mossy Creek Cruzers Videos

On our web site, go to mossycreekcruzers.org, it brings up the home page. Go about half way down the page to "Pictures/Videos from 8th Annual Car Show" click here. This will show you a page of the winners for this year.

At the VERY BOTTOM of these pictures, click on the last picture for the video of all of the cars to be seen with music playing. It last 13 minutes, and shows all of the cars!

Go to www.youtube.com and in the search area put in Mossy Creek Cruzers. You can see most of our videos through the years. Also videos from "Just Going With It" who took pictures of our cars at the 2018 show. These videos are also on our web site.

This is a list of all I found on "YouTube"

2018 Mossy Creek Cruzers
2018 "Just Going With It"
2nd Annual Mossy Creek Cruzers
2014 Mossy Creek Cruzers
2017 Mossy Creek Cruzers
2017 MCC Fill the Truck With Toys
2016 Car Show (MCC)
2013 Cruise-In at Big Lots
2013 Cruisin' & Groovin' Dandridge.

It is fun to watch these and see how many cars you can recognize, maybe even cars that you used to own.

These videos were put together by Leslie Brock except the ones from "Just Going With It". Leslie is the designer of the Cruzers web site and does an excellent job of keeping the site updated as well as the Cruzers Facebook page. Leslie also helps with so much, much more of the behind the scenes paperwork! Thank you Leslie!
