Sunday, September 25th, a couple of Cruzers met and went to the nice picnic in Greeneville that the Greeneville Ridge Runners sponsor each year. You sure get to meet a lot of nice people from other clubs which are also invited to attend. The food is great, Kinser Park is a good place to have the picnic and is under a huge pavillion. It was a very nice day, good food, good people and a nice fun-run up there. Try to attend next year, it is definitely worth while! Thanks to Tony Bible for inviting us each year.

On Sunday, October 2nd, members of Mossy Creek Cruzers met at 1st Peoples Bank in Dandridge to go on a fun-run to Carver's Apple Barn in Cosby. We had a very nice drive up. We had breakfast or lunch, whichever you decided you wanted, and the food was delicious!! We had 11 people with us. After we ate we went in the sales area and browsed around a bit.

For 2017, we need a Fun-Run Chairman who can plan a few nice trips like these for the club. Just nice little remote restaurants and interesting places to travel to as a group. There are hundreds of places that we could go to in a one day trip. If some of you would like to go on a two or three day trip, that would also be possible. I remember that a few people liked to go to Somerset, KY (?) and stay over night. So those type of trips would be nice also. The coordinator could get a count of who all wants to go and can get reservations at a motel close to the car show. If this is something that you would like to volunteer for, please let an officer know. You would have help and suggestions from the membership. Most of the set up could be done from your computer so no extra driving around and time consuming efforts. Think about it!

The 5th Annual Fill the Trucks With Toys was again a success on Saturday, October 8th. The attendance was down a little due to it being a cloudy day with a chance of rain. But we still had a good cruise-in. We collected quite a few toys and monetary donations were good and we will buy more toys with those donations. We will meet in November with the Jefferson County Chamber of Commerces' "Christmas in Jefferson County" to donate the toys. They will then be distributed to the underprivileged children along with donations from other places. This is a good thing that the club does and all members should try to participate. The American Legion cooked hot dogs and hamburgers inside the Legion.

Nominations for Officers for 2016 was done at the October meeting. Since there was only one for each position, they will be elected in November. Larry Boggess will again be President & he has lots of new ideas for 2016. Ann Randolph is the new Vice-President. Both Pat Dukes (Secretary) and Joan Spoon (Treasurer) were nominated to keep their present positions and they accepted.

The Mossy Creek Cruzers Car Club meets the first Tuesday of each month at Shoneys in Dandridge at 7 pm. Members of our club should make an effort to attend these meetings because that is where all of the year's planning comes in and we need each of you to help with that. All of the car shows and fun-runs are also planned. The Cruzers host the cruise-in at Big Lots in Jefferson City every Friday evening from 5:30 until 8:30 from April through October. The public is invited to attend either of these events and if you have questions or are interested in joining the club, go to mossycreekcruzers.org to print an application to mail or call Pat at 865-363-5891. We welcome new members!

The Mossy Creek Cruzers Car Club monthly meeting is held the first Tuesday of each month at Shoneys in Dandridge

Update on the Mossy Creek Cruzers Junior Car Club Jefferson County High School

Scott Noe, the teacher of the Junior Cruzers, along with Carl Crigger, has given us an update on the junior club for this year. The Junior Cruzers has started their meetings on the first Tuesday of the month, starting in September, and they have 4 new members and several more were at the meeting. They helped with the Heroes Supper on the 15th, going to the SkillsUSA leadership conference on the 22nd and they elected officers at the October meeting.

The new President is Bailey Hutsell, Vice President is Cody Murphy, Secretary is Skyler Hempel and the Treasurer is Nathan Moore.

They did a teacher / staff car wash at the school to get donations to give to the Cherokee High School Quarterback that was paralyzed last May. The Junior Cruzers are donating \$250!

Note from Pat Dukes: I think the Mossy Creek Cruzers should be very proud of these young people who are members of the Mossy Creek Cruzers Junior Car Club. We are instilling in them the pride in giving to help others. Last year they gave money to a family that had lost their home to fire. This is something that will follow them throughout their lives. If they continue to help people in their community, it makes this whole club worthwhile.

Our club will continue to support them with monetary donations as well as personal support when they hold their car shows.

Our thanks go out to Scott Noe and Carl Crigger for their willingness to give their help and their time to ensure the continuation of the Junior car club and to Jefferson County High School for permission to have this club.

If you would like to attend their meeting, just let an officer know and we will get in touch with them to find out the exact time and location. I am sure that our suggestions would be welcomed.
