**MARCH 2019 Edition
Volume 85 • Editor: Pat Dukes**

Ramblin' On

Our Valentine Party at Perkins Restaurant was a huge success! Thanks to Deedra and John for bringing the balloons and taking pictures of everyone (see those pictures in this newsletter). And also thanks to Deedra for bringing the best dessert ever!! Everyone had a great time, plus it is really nice to get to go around and talk to everyone. We are going to start doing things like this more often as soon as the weather gets better!!

Our ad sales for the booklet are going great! As it stands right now, we only have a few more spaces. Sales will start again now that the rain has finally stopped. And the good part is that we still have a few days until the deadline! We have sold so many ads this year that we added addition pages. It is looking very nice and I hope all of you will enjoy it. It is almost sold out.

I would like to take a minute to THANK all of the Cruzers that helped sell ads this year, some with me and some without! Those Cruzers are: Kathy Reading, Mike Reading, Bob Cross, Larry Boggess, Carol Ehm, Charlie Ehm, Judy Waldrop, and Tom Hultz (as well as "me" Pat Dukes)! Without all of you the booklet would not be possible. It should be printed by the time our cruise-in starts, April 5th.

Also, while thanking people, I would like to send a big thank you to Carroll Barnard for all of the work he has done on the club trailer to make it look better and to better utilize the space inside it by putting shelves along the wall. He painted the top with a special paint to protect the surface better. So, Carroll, thank you very much from all of the Cruzers!

Tim McGinnis, of the Morristown Fly-In that is scheduled for September 21, has issued the club an invitation for their breakfast that they sponsor at the airport in Morristown the first Saturday of each month. It starts at 8:30am and they cook until 10am. It is in the big white hanger beside the terminal building. There is a gate to drive through that will be open for the breakfast. Classic cars would be cool to drive but just optional. They only ask for donations. Maybe this will be one of our fun-runs! The next one will be April 6th.

Several Car Shows are coming up on Saturday, April 27th.

ONE: The Mossy Creek JUNIOR Cruzers is having a car show from 10am until 2pm at Jefferson County High School. At least drop by if you can. We need to keep youth interested in the classic cars.

TWO: The Blue Springs Baptist Church show is back!! Along with it is the fish dinner which can be purchased inside the church.

THREE: Cruise Against Cancer at the Newport City Park in Newport. It starts at 7am and goes to 7pm.

Just a brief reminder that club membership fee is due. It is still only \$20 per year for you and spouse or significant other! After March, if you haven't rejoined, the newsletter will no longer be sent to you. So try to join now so that the newsletter will keep you up-to-date on events around the area.

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!

Letter from the President

Hello Cruzers,

Written Sunday, Feb 24

The Sun is Shining!! For the first time in a week, I get up in the morning with renewed energy. It is amazing how different it makes you feel when the sun shines!!

Lots of tragedy with the flood waters all around Jefferson County, Hamblen County, Sevier County, Grainger County, Cocke County and Knox County. I have lived in Jefferson County for a lot of years and although I have seen flooding before, I have never seen it like this. Everyone needed an ark!!

It is supposed to be sunshine for the next three days so maybe that will give it time to dry out. And you know what? Spring is just hiding around the corner and will be here soon. My favorite time of the year when everything turns green and the weather is perfect, and we can get started on the cruise-ins!

The first Friday in April is our first cruise-in, please mark your calendar so you can come out and support your car club. It will be at Big Lots in Jefferson City again this year.

Also the first Saturday of April will begin the Hamblen County Car Club cruise-in at Burger King in Morristown.

The Car Show Committee has met several times, so far, and we have more people attending the meetings than ever before. The show is shaping up nicely and plans are falling in place. We will continue meeting a couple of times a month until everything is finalized! It's not too late if you would like to be on this committee, just let either Larry or Pat know so we can notify you when we meet.

Pat Dukes 865-363-5891

President, Mossy Creek Cruzers Car Club

Welcome New Members

Alan and Jane Birdsall

Don Bentley

Sympathy

Don Bentley was a Charter Member of the Mossy Creek Cruzers Car Club. He passed away in February 2019. Don was an avid horseman having been in lots of horse related events as well as trail riding. His other main interest was his 1951, maroon colored, Henry J. He always attended the car club meeting and he sat right in front of the Officers table, and he attended our car shows until his health declined. He also served on MCC Board of Directors. Please keep Don and his family in your prayers. He will be missed by all.

Prayers for the Sick

Carroll Barnard, Dick Waldrop, Dan Gelacek, Richard French
Sharon McCaulley and David King - Cruzers
Elmer Blanken, Gwen Porterfield - Hamblen Co. Car Club
(if you know of anyone else that is sick, passed away, or has had surgery, please let Chaplain Joan Spoon know)

Mossy Creek JUNIOR Cruzers

SOOO PROUD of these guys right here! These guys SWEPT the competition at the SkillsUSA regional competition at Northeast State today. SkillsUSA recently cut the automotive competitions from 5 to 2 and only allowed each school to take 2 competitors but made them much more intensive and difficult. These two placed FIRST in each category! The first time that has happened at Jeff Co in over 20 years (IF it has ever happened).

What's more is we took 15 students to compete in various other contests and ALL 15 are going to state!! Incredible accomplishment.

From the Two JUNIOR Cruzers

Well here we come Chattanooga for the state competition for Skills USA. I never would've been able to do it if I didn't have an automotive instructor that pushed Tyler Morgan and me to our limits. It paid off when I took first place in Automotive Service Technology and Tyler took first in Maintenance and Light Repair. Thank you for pushing me to my limits and giving me the knowledge to succeed Scott Noe. I couldn't ask for a better Instructor!

3rd Annual Mossy Creek JUNIOR Cruzers Car Show
