Ramblin' On!

7th Annual Mossy Creek Cruzers "Fill the Truck with Toys" Car Show

What a grand day Saturday, August 25th turned out to be!! The weather was perfect, not too hot and with a slight breeze blowing. Vehicles came from all over East Tennessee to help us with this cause. We will make a lot of children happy and smiling at Christmas. Seven trophies were given out, chosen by People's Choice and also monetary prizes were given out.

We would like to thank Scott Schroeder, General Manager of Bush's Visitor Center, for all of the help he gave us! The door prizes were very nice that they supplied to us. Also the golf cart was great! It was so nice that I could drive around and thank everyone for coming to the show! I have already reserved the ball park for our show again next year on the same weekend in August. Scott seemed very pleased with the turn-out as were the club members.

The area newspapers gave us a great coverage before the show and after the show also.

A lot of planning goes into a show so that will start very soon for our main show in July at Jefferson Middle School and also the Fill the Truck with Toys at Bush's Visitor Center, both in 2019.

In January we need to start selling our ads for our charity booklet that we do each year. I have a list of places to go of our regular advertisers but we will need volunteers to help sell these. This allows us to have more money to donate to our charities and also we get to meet the community and introduce our club. The ads should be easy to sell since they are already established. Please let Pat know if you will volunteer to sell these spaces in our booklet.

Have a great month everyone, Pat Dukes

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!

More Ramblin' On

October is nearly here and time to nominate new or re-nominate seated officers. Each member has a duty to look at our members and nominate the person that they think is suited for each office. This is a serious time for our club and shouldn't be approached lightly. Everyone should attend the October and November meetings and voice your opinion. You may choose to renominate officers that are already in office or to choose new officers. There are no time limits in our club.

Be sure to attend the October 2nd meeting to nominate the person that you would like to see as officers. We need to hear your thoughts! Election will be at the November meeting from the October nominations. Our club continues to grow and we need new ideas from members, new and old, to keep our club lively and interesting. All suggestions are welcomed from members and will be taken under consideration.

The club was started as a fun organization which could also help in our community. Through the years we have helped individuals that are sick as well as local charities and we want to continue to help where we can.

Car enthusiasts gathered together to create the Mossy Creek Cruzers in 2012. The club consists of 55 memberships, mostly couples, with total membership close to 100. The cars featured in the club range from self built restoration projects, to classics driven just for fun. Every Friday night the club can be found displaying their cars at Big Lots in Jefferson City. MCC will hold a variety of events throughout the year of 2019, including a show at Jefferson Middle School in July and the Fill the Truck with Toys show at Bush's Visitor Center in August. If you would like more information about the Mossy Creek Cruzers Car Club please contact Club Secretary Pat Dukes at 865-363-5891 or go to our web site at mossycreekcruzers.org.

Thanks to each of you for making this a great year for our car club, the Mossy Creek Cruzers.

Pat Dukes

Letter from the President

Welcome everyone! I am glad you have taken the time to read the newsletter! I think we have a very good, if not the best newsletter, thanks to Pat Dukes. She invests a lot of time into the newsletter each month ...Thanks Pat! Which brings me to a very good point...Investing time in *YOUR* car club. It is very true you only get out of something what you put in it....I don't know who said that but it is so true. I don't care what it is, the car club, church, family, school, life, etc....the more you invest into it the more reward you will receive! So get out there and get involved in what ever you are doing, you will enjoy it more.....*don't stand on the side line and watch life go by.*

I was not able to attend the September meeting but I heard that you had a great meeting and a good attendance. I feel members are getting more involved and voicing their opinions and offering suggestions. We had a lot to cover during this months meeting and I thank Vice-President, Ann Randolph, for stepping in for me. We have a lot to cover in the October meeting also, try to be there so you can be a part of the decision making about the nominations for officers of the club. Don't forget if you have a charity you think the club should support let one of the Officers know at the October meeting.

And don't forgetvolunteer to help with the Car Club whenever you can....GET INVOLVED...
