Volume 74 • Editor: Pat Dukes

Ramblin' On!

It is finally official. CRUISIN' SEASON IS HERE!! So get those cars and trucks out, clean them up and get ready to roll! The Mossy Creek Cruzers first cruise-in of the year was unfortunately rained out! But we still have lots of Friday nights to go at Big Lots in Jefferson City. Also the Hamblen County Car Club started their cruise-in a month earlier than usual so Saturday nights will have a place to go in Morristown at Burger King.

The winter hasn't been too rough on us this year but there is just something about winter that wants you to keep those vehicles garaged and covered up as we suffer through "Cabin Fever". We wait and wait throughout winter and plan many things that we'll do when warm weather gets here! Then you see a flower blooming and our whole outlook changes. We start looking for places to go and things to do that involves these antique, classic and street rod vehicles. When we pass another on the highway, or even in town, we throw up our hands at them and are so glad to see them out and about!

There are shows and cruise-ins in Knoxville, Sevierville, Newport, Morristown, Rutledge and our local shows in White Pine, New Market, Dandridge and Jefferson City. With so many family oriented places having so many things to do, it is simply a choice of how to schedule where you would like to go to. With plenty of ideas that should be easy but that is not always the case. Belonging to a good club that promotes ideas and plans events help us to decide.

So if you have a Friday night free, we would love for you to come to the Mossy Creek Cruzers Cruise-in at Big Lots in Jefferson City. We will have our club trailer there and music from the 50s and 60s for your entertainment! A table will be set up with club officers available to talk to everyone about our club and our events. Flyers for our car shows will be available also and you can go ahead and sign up for the July 7th show. It is \$15 fee before the show and \$20 day of show.

We would like to have new members, as well as our current members, so if you are interested in joining the club, you can do that at the trailer too. It is still only \$20 to join and that includes you and your spouse (or significant other). That also includes one club T-shirt.

Have a great month everyone, Pat Dukes

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!

LETTER FROM THE PRESIDENT

Hello Everyone.

Here we are ready to start another cruise-in season! I'm sorry to say, our first cruise-in of the season at Big Lots was rained out. We plan to have the club trailer at our Friday night cruise-ins with music, games, cold water, 50-50, and much more. We have a few cruises planned for the season. At the cruise-in, come by our trailer and say hello and learn more about your club. We will have flyers for both of the Mossy Creek Cruzers' car shows and maybe info on other local car shows. And also get to know your officers and offer suggestions for the club such as fun runs you would like to see the club plan. There are cool little restaurants that we could travel to, scenic places or car museums. It is limitless the places we could go.

Come on out to the monthly club meetings, the first Tuesday of each month at Shoney's in Dandridge at 7:00 pm. Come an hour early if you plan on eating dinner. Also remember our servers at Shoney's by leaving them a tip, they work hard, take very good care of us and we are lucky to have such a good place to meet. They depend on their tips.

So remember, this is your club... you have a right to speak up and offer suggestions about things to do, places to go, and charities to give to. If you know of individuals that need help because of a fire or medical help, bring it up to the club so we can help. That's what we are all about, helping people.

If you would like to join the Car Show Committee, we would love to have you. We hear, all the time, that we have one of the best car shows around and maybe YOU could help make it even better!! We welcome all suggestions.
