and forget to live."**

As fall has rolled around and winter is right behind that, the car events have slowed down. No more cruise-ins until the 1st of April (unless March is extremely warm). But you know what? That gives us all a break and we can refresh, regroup and be ready for the Spring to come bursting in! A new year is starting soon. I would like to have each member pledge to enter all our car shows next year. Attend all the meetings you can possibly attend, be a member of at least one committee and volunteer your help for at least one car show or cruise in. I know you will get more out of the club if you get involved. The members in the club that work so hard are greatly appreciated. Thank you. More car related fun-runs for 2022.

Christmas Dinner at Shoney's

We will celebrate the holidays at our next monthly meeting at Shoney's on December 7th. We will just have a very short meeting addressing any issues that comes up and then party, party, party! Those who want to play the "Dirty Santa" game should bring a \$10 gift to be exchanged. The club will provide desserts for those who would like them. Gift cards will be given out as door prizes so be sure to come and have a good time! This will also give us time to mingle among everyone present and get to know each other better.

A committee will be designated for future social events. If you can volunteer for this committee, please let an officer know.

Veterans Day

I want to thank all the veterans and active military members on this month of Veterans Day. Thank you for your service. Without each and every one we could not enjoy the freedom to have and enjoy our cars and our freedom of everyday life. We always want to recognize the veterans that attend our car shows. Thank you very much for your service.

Mossy Creek Cruzers Car Club

Letter from the President

Cruzers,

As you all know, our booklet is the largest fund raiser that we have. It generates more money for our charities than anything else that we do. I volunteer my time to be the Graphic Artist on the book and also to sell some of the ads for it.

We need a few more people to volunteer to sell ads. Even if each member only sold one ad, that would help us immensely!! When you go to your barber shop or beauty shop, ask about an ad. Likewise to your local garage, wrecker services, restaurants, insurance offices, Realtors, doctor's offices, event places, hardware stores, craft stores, local police force and Sheriff and the ideas are endless. Each volunteer can have a price list and a sample of the 2021 book so the potential advertiser can see what the ads look like and the size that they are.

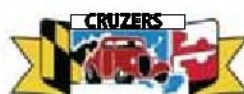

More Fun-Runs for 2022. If you have an idea of a place for us to go, drive our classics and maybe have a meal, just let us know. Car related places would be wonderful.

It just doesn't get any better than this!!

Keep Cruzin'
