Mossy Creek Cruzers at Blue Springs Baptist Church

On Saturday morning, June 6th, 2015, the sun was shining bright early in the am as about a dozen Cruzers met at Lisa's Country Kitchen in Jefferson City for breakfast and coffee. From there we headed out on a fun-run to Blue Springs Baptist Church Car Show in Rutledge. It was extremely hot during the day but we had umbrellas and tents to keep the sun at bay! We talked and got to see friends from not only our club but other clubs as well. The church offered door prizes to just about everyone and a very good fish fry was available inside the church. This is a nice show and we always enjoy it.

On Saturday, June 13th we will again head out on a fun-run, this time to Greeneville for the Ridge Runners cruise-in at Big Lots in Greeneville on Highway 11-E. We will meet at Gold Team Collision on Highway 11-E just east of Jefferson City to leave at 8:30. We'll stop in Morristown at Big Lots for members that live in Morristown. The show starts at 10 am.

Then on Saturday, June 20th you have your choice of a couple of shows. New Market Volunteer Fire Department will host a car show at New Market Park from 9am to 4pm. Lots of entertainment and trophies.

Also on Saturday, June 20th is the Moonshine Run Car Show in Newport. It starts on Friday at noon.

So there is no shortage of car shows this month, you can just pick and choose. Just Cruise!!

June 2015 Minutes

The June 2nd meeting of the Mossy Creek Cruzers Car Club was held, as usual, at Shoney's in Dandridge. We had three special guests at the meeting. Skylar Hamilton and his parents attended. Skylar is the Bass Professional Champion in the Pro Master Open and is the youngest champion in the world at 20 years old. He is coming to our July 11th show and is bringing his boat.

Skylar told us a lot about his championship. He started professional fishing at 16 years old. He travels all over the country and into Canada for these fishing tournaments. In an eight hour tournament, you can catch as many as you want but can only bring in five. In a three day tournament, you can bring in the 15 largest ones that you caught. He fished 280 days last year. We asked what was his favorite fish to fish for besides bass and he said carp!! Skylar said that last year he took Wyatt Crippen, the young man that we helped last year that has a brain tumor, out in a young persons fishing tournament and Wyatt won! He said that was one of the highlights of his career.

Minutes were not read, due to Pat not bringing them but she told us to read the newsletter from May.

Bill O'Connell read the Treasury report and there was a motion made by Tom Hultz to accept with a second from Jim Knowlan. Approved by all.

Glenn Allred reported that he has ordered the dash plaques and they will be ready in a week or so. 175 plaques were ordered. We have a sponsor that paid for them.

Glenn also reported about the event TShirts and the club members that were present voted on whether to have them or not. A motion was made by Jim Knowlan with a second from Tom Hultz and the members passed unanimously. So Glenn will get them ordered. 144 is what was approved.

Trophies will be ordered this week, two 1st place trophies, one car and one truck for each division, and two 2nd place plaques for each division, one car and one truck. One rat rod trophy and one motorcycle trophy. We also will have three additional trophies to give out. Peoples Choice will be the largest trophy followed by Mayor Mark Potts' favorite and Skylar Hamilton's favorite. Glenn has found a new place to order trophies and has gotten a very good price for them.

Glenn also said that we need door prizes and a few good auction items.

We have several people going around getting donations but more of the members need to help out with this. If you don't know how to do this, we can teach you. Jim Knowlan, Pat Dukes and Glenn Allred have been going out and asking for donations and are doing pretty good. Also Mike Reading has started helping out with this.

Jeanne Knowlan, Diana Boggess and Pat Dukes have volunteered to work the registration desk. Ann Randolph has volunteered to be in charge of the silent auction again this year and Kathy Reading has volunteered to sell the event TShirts and again Sharon McCaulley has volunteered to sell the 50-50 tickets. *Way to Go Girls!!*

Skylar Hamilton has donated an 8 hour fishing trip with him. We will sell tickets on this great donation!! We need someone to volunteer to be in charge of selling the tickets for this fishing excursion. Could that be you???? Think about it!

Glenn reported that the school superintendent of schools, Mr. Edmonds, turned us down after we asked to use the rest rooms in the school, even though we told him that we would be responsible for everything and would bring the supplies. So I guess it is porta-potties again this year!! *UGH!!!*

Pat Dukes reported that the Hamblen County Volunteer Fire Department will bring their fire prevention trailer that teaches people what to do in case of a fire. It is tuned more towards children but is very interesting to adults also and a lot can be learned just by going through the trailer. There is no cost and no donations. They are also bringing their mascot, Sparky, a remote controlled Dalmation robot driving a firetruck. This is a must for everyone... if one person can escape a fire just by touring the trailer, it is worth it!!

Also the Lakeway Volunteer Fire Department is bringing one of their trucks to display and will run the ladder way up several times throughout the day and will talk to people about their jobs.

Pat talked about our fun-run on Saturday, June 13th. It is in Greeneville and is a cruise-in put on by the Greeneville Ridge Runners. There is a \$10 fee. We are meeting at Gold Team Collision on 11-E just east of Jefferson City about 8:15 am. We will leave there at 8:30 and go into Morristown and stop at Big Lots to meet with anyone that happens to live in Morristown. We will leave there about 8:55 am and go straight up 11-E to Big Lots in Greeneville. Remember the Ridge Runners came down to our Fill the Truck with Toys show back in October. Now it is time to go to one of their shows.

Greg Nordquist told us about a cruise-in that is held every last Sunday of the month in Knoxville.

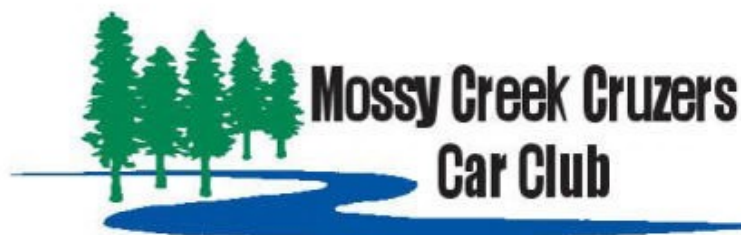

Our trailer is still up at Nathan Peak's shop in Morristown. Another work day will be planned soon. Carroll and Jo Barnard have donated kitchen cabinets to go in the trailer which we will pick up real soon. *Thanks Carroll and Jo!*

We discussed membership attendance being down at our meetings. This is where everything is decided and more members need to attend to plan our events and charities and everything.

A motion was made to adjourn by Nathan Peak with a second from Sharon McCaulley.

The next meeting of the Mossy Creek Cruzers is at Shoney's in Dandridge at 7pm on July 7th, JUST FOUR DAYS BEFORE OUR SHOW OF THE YEAR so please try to attend to help finalize the event.

We need members to volunteer to help the day of the show

This will be the last newsletter sent out via e-mail or regular mail if you haven't paid your club fees for the year. They were due in January. Hope you decide to rejoin!!

OUR JUNE FUN RUN

Greeneville Ridge Runners Car Club
Cruise-In • Saturday, June 13, 2015 • 10am - 3pm

Saturday, June 13th is a cruise-in at Big Lots in Greeneville on Highway 11-E.

The Mossy Creek Cruzers are meeting at Gold Team Collision on 11-E, just east of Jefferson City, about 1 mile from Walmart and are leaving at 8:30 promptly.

For those of you that live in Morristown, we will stop by Big Lots in Morristown to meet up with you. We will be there from Jefferson City at approximately 8:50 or 8:55 and will leave there at 8:55 am.

We will travel up 11-E into Greeneville.

The entry fee at the Ridge Runners cruise-in is \$10. The awards will include a club participation (which is for the club with the most cars attending), a manager's choice, youth group choice and also there will be cash drawings with the grand prize being \$100. There will be cake walks and games, door prizes and music. It is an open car show for cars, trucks and motorcycles. Open to all cars, trucks and bikes. Dash plaques to the first 100 entries.

Let's all try to attend this cruise-in. It's great to intermingle with other clubs!! Be sure to bring your umbrellas and/or tents because it will be hot and the parking lot is black top. Looking forward to seeing a lot of you there!!

On June 6, 1933, Richard Hollingshead, Jr. opened the world's first drive-in movie theater on Crescent Boulevard in Camden, New Jersey. Admission was 25 cents for the car, 25 cents per person and the maximum charge per car was one dollar.

The drive-in's peak popularity came in the late 1950s and early 1960s, with some 4,000 drive-ins across the United States, and more than 40 such theaters in New Jersey alone. Today there remain fewer than 400 operating drive-in theaters nationwide, and sadly, the state where the concept was created has only one remaining in operation.

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!
