Jefferson & Surrounding Counties

THE JULY MEETING WILL BE JULY 5TH, WEDNESDAY BECAUSE OF THE 4TH BEING ON TUESDAY.

The Mossy Creek Cruzers Car Club are proud to have presented two scholarships to Jefferson County High School this year. The two students, Jonathon Anderson and Zeke Bradley, were the recipients. Since we are a car club, we are very interested in keeping the youth of today interested in vehicles, maintenance and the antique and classic vehicles, thus our reasoning for having this Junior car club.

In late 2014, the Cruzers started Mossy Creek Cruzers Junior Car Club at the High School under the guidance of teachers Scott Noe and Carl Crigger, who are the Auto Mechanics teachers. To be in the club the student must be taking auto mechanics classes. The members have to maintain good grades and attendance and they have certain By-Laws set up for their club. The club meets the first Tuesday of each month, during school term, at 3:30 to discuss events and discussions about the club and what it means to be a member and to help their community.

On July 8th, the original Mossy Creek Cruzers Car Club, presents their 7th annual car show at Jefferson Middle School, on Highway 11-E in Jefferson City, from 9:00 am until 3:00 pm. This is the major car show of the year and the charities that are supported are local Special Olympics, Jefferson County Volunteer Fire Departments, Rescue Squad and the scholarships that they give to students from Jefferson County High School. Other charities throughout the year benefit from the charity fund of the club.

Fifties and sixties music will be played during the day by the Open Range Band and lots of activities including 50-50 tickets, cake walks, piston toss, silent auction, fan belt toss, poker walks and guess how many pieces of candy in a jar. There will be barbeque and hamburgers, hot dogs and pinto beans & cornbread available for purchase, so come hungry and support our vendors.

For the second year, in conjunction to the car show, a craft show will be produced. Come and see the handmade items as well as direct sale items. We hope to make the craft show larger and better each year for the entertainment of the spectators as well as the car vendors. For more info call Pat at the phone number below.

The Cruzers will host another car show on August 26th called Fill the Truck with Toys. The fee to register a vehicle into this show is to bring a new, unwrapped toy to donate. These toys are then donated to Christmas in Jefferson County who gives toys to underprivileged children who otherwise would not have a Christmas gift. It will be held at Bush's Visitor Center in Chestnut Hill from 10:00 am until 3:00 pm.

The Mossy Creek Cruzers Car Club meets the first Tuesday of each month at Shoneys in Dandridge at 7 pm and they host the cruise-in at Big Lots in Jefferson City every Friday evening from 5:30 until 8:30, April until October. *The July meeting will be changed to July 5th because of the 4th being on Tuesday.*

The public is invited to attend either of these events and if you have questions or are interested in joining the club, go to mossycreekcruzers.org to print an application to mail or call Pat at 865-363-5891. We welcome new members!

**One for the old guys!
We knew where "IT" was.**

The proud owner of a magnificent 1956 Chevrolet convertible had restored the car to perfection over the last few years.

On a very warm summer afternoon he decided to take his car to town. It needed gas, as the gauge was practically on empty, but he wanted an ice cream, so he headed first to his favorite ice cream shop.

He had trouble finding a parking space and had to park the car down a side street. He noticed a group of young guys standing around smoking cigarettes and eyeing his car rather covetously. He was a bit uneasy leaving it there, but people often take interest in such an old and well-preserved car, so he went off to enjoy his ice cream.

The line at the ice cream shop was long and it took him quite a while to return to his car. When he did, his worst fears were realized... his car was gone.

He called the police and reported the theft and then went back and bought a quart of pistachio ice cream. About ten minutes later the police called him to say they had found the car abandoned near a gas station a few miles out of town.

It was unharmed and he was relieved. It seems just before he called, the police had received a call from a young woman who was an employee at a self-service gas station. She told them that three young men had driven in with this beautiful old convertible. One of them came to the window and prepaid for 20 dollars' worth of gas.

Then all three of them walked around the car. Then they all got in the car and drove off, without filling the tank.

The question is why would anybody steal a car, pay for gas that they never pumped and then abandon the car later and walk away? Scroll down ---

Answer: They couldn't find where to put the gas!

Cruzer, Everett Fielden, cruising around with his granddaughter at the New Market Festival on Saturday, June 17th. Looks like he was having a great time!

PLEASE DONATE

The club needs Volunteers to help with a lot of things surrounding our car show on July 8th.

Now something that we are asking for our Silent Auction at the show. Do you have something that you could donate?? It could be something that you were planning to sell in a yard sale or on Craig's List. (No clothing please). Something used but still in good shape. Just clean it up and bring it to us. It does not have to be car related, it can be anything, example: pictures framed nicely, kitchen objects, arts & crafts, figurines, clocks (that work & with batteries). So think about this and see if you can come up with something to donate.

All of the money we can make, increases the amount of the scholarships that we can give to a Junior Cruiser or more to Special Olympics for things they need for their games & our other charities.

We are such a great and giving club, so please help us out when you can.
