## Ramblin' On

The Mossy Creek Cruzers **Junior** Car Club President is our scholarship recipient for 2019. He is Jacob Lyman. Jacob was first in Regionals and 4th at State Skills USA Auto Service Technology. He plans to go on with study in Diesel training. Pictured is Jefferson County High School Mechanics teacher, Scott Noe, Jacob, and Joan Spoon, Treasurer of the Mossy Creek Cruzers. We wish Jacob the very best with his future endeavors.

With the July 6th Car Show coming up in a little more than 2 weeks, the car show committee members are working hard to get everything organized so the show will run smoothly! Emails and letters have been sent out to previous entrants of the show so that they can pre-register. Hopefully this will be the largest show ever. With Bob Millard and Ron Lucas being our judges, it will go smoothly, with around 40 trophies being awarded.

Lots of great door prizes are ready to find new homes. Each entrant is eligible to win the door prizes, which will be given away about every 15 minutes. Entrants and spectators can try to win the raffle items. You buy a ticket (or a bunch of tickets) for \$1 each, then you review the raffle items. If you see something you like, you put one (or more) tickets in a cup that is in front of the item and around 2:30, a ticket will be chosen from each cup. The ticket that is drawn out of the cup is the winner. This is the first time we have done the raffle and we hope everyone will enjoy it. Just give it a try.

Members, If you have raffle items that you would like to donate to the club, please let us know asap. You can also ask businesses for donations of items that we can put in the raffle.

All current members need to register their cars early so that it is only \$15.00 dollars. The fee will be \$20 the day of the show.

This seems to be the best show yet. With us bringing an independent organizer, Cathy Graham, to work the craft show. The tractor show will be headed up by Chris Davis. He will supply his own trophies.

**July 6th is a Good Day for a Good Day!!**

**The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!**

# Remember When?

One bathroom and one car on the street  
A mower that you had to push  
To make the grass look neat.

In the kitchen on the wall  
We only had one phone,  
And no need for recording things,  
Someone was always home.

We only had a living room  
Where we would congregate,  
Unless it was at mealtime  
In the kitchen where we ate.

We had no need for family rooms  
Or extra rooms to dine.  
When meeting as a family  
Those two rooms would work out fine.

We only had one TV set  
And channels maybe two,  
But always there was one of them  
With something worth the view

For snacks we had potato chips  
That tasted like a chip.  
And if you wanted flavor  
There was Lipton's onion dip.

Store-bought snacks were rare because  
My mother liked to cook  
And nothing can compare to snacks  
In Betty Crocker's book

Weekends were for family trips  
Or staying home to play  
We all did things together  
Even go to church to pray.

When we did our weekend trips  
Depending on the weather,  
No one stayed at home because  
We liked to be together.

Sometimes we would separate  
To do things on our own,  
But we knew where the others were  
Without our own cell phone

There were the movies  
With your favorite movie star,  
And nothing can compare  
To watching movies in your car

Then there were the picnics  
At the peak of summer season,  
Pack a lunch and find some trees  
And never need a reason.

Get a baseball game together  
With all the friends you know,  
Have real action playing ball -;  
And no game video.

Remember when the doctor  
Used to be the family friend,  
And didn't need insurance  
Or a lawyer to defend

The way that he took care of you  
Or what he had to do,  
Because he took an oath and strived  
To do the best for you

Remember going to the store  
And shopping casually,  
And when you went to pay for it  
You used your own money?

Nothing that you had to swipe  
Or punch in some amount,  
And remember when the cashier person  
Had to really count?

The milkman used to go  
From door to door,  
And it was just a few cents more  
Than going to the store.

There was a time when mailed letters  
Came right to your door,  
Without a lot of junk mail ads  
Sent out by every store .

The mailman knew each house by name  
And knew where it was sent;  
There were not loads of mail addressed  
To "present occupant";

There was a time when just one glance  
Was all that it would take,  
And you would know the kind of car,  
The model and the make

They didn't look like turtles  
Trying to squeeze out every mile;  
They were streamlined, white walls, fins  
And really had some style

One time the music that you played  
Whenever you would jive,  
Was from a vinyl, big-holed record  
Called a forty-five

The record player had a post  
To keep them all in line  
And then the records would drop down  
And play one at a time.

Oh sure, we had our problems then,  
Just like we do today  
And always we were striving,  
Trying for a better way.

Oh, the simple life we lived  
Still seems like so much fun,  
How can you explain a game,  
Just kick the can and run?

And why would boys put baseball cards  
Between bicycle spokes  
And for a nickel, red machines  
Had little bottled Cokes?

This life seemed so much easier  
Slower in some ways  
I love the new technology  
But I sure do miss those days.

So time moves on and so do we  
And nothing stays the same,  
But I sure love to reminisce  
And walk down memory lane.

With all today's technology  
We grant that it's a plus!  
But it's fun to look way back and say,

HEY LOOK, GUYS, THAT WAS US!

## Letter from the President

Hello Cruzers,

The time for our first car show of 2019 is getting near!! Only two and a half more weeks!!! EIGHTEEN MORE DAYS!!! It is getting here so fast! School is out and our major sign is up. The other signs go all over the place.

We also need *VOLUNTEERS* to help with the show. You can sign up at the club meetings OR at the cruise-ins. Remember, this is your club and we need you to help with our two shows this year.

We will give out the new *STAFF* shirts before the show, probably the July meeting. They will be given out to the volunteers and are to be turned back in as soon as possible after the show for use at the next show. Ask about them early to get your size!! The shirts will make it easy to find members of the club.

Please volunteer to help out the day of the show, we need all members of the club to help us out the day of the 2 shows. There are lots of small jobs if you don't want to do a lot of things! Tell us your limitations and we will assign jobs accordingly. Don't just leave all the jobs for just a few members to do!

Thanks,

Pat Dukes

President, Mossy Creek Cruzers Car Club

Even the best cars need a little help occasionally, as we all waited together until the rollback showed up at the Mossy Creek Cruzers Cruise-in Friday night. Hope is was just something simple!! John doesn't look too happy at this point!

Deedra sure got a big "owee" on her pretty Camaro a few days ago. Thankfully she wasn't badly hurt, except maybe her feelings for losing this beautiful car. Feel better soon.

Happy Birthday
