## Pumpkin Mousse

### INGREDIENTS

- 1 can sweetened condensed milk
- 1 can pumpkin purée
- ¼ teaspoon kosher salt
- 2 teaspoon pumpkin pie spice
- 3 cups heavy cream

### INSTRUCTIONS

1. Begin by heating the oven to 400 degrees. Take the pumpkin puree and place on a greased baking sheet and spread it out a bit with a spatula. Roast in the oven for 20-30 minutes until puree is firmer and darkened in color.

### To make the pumpkin mousse

1. Meanwhile while the pumpkin is roasting, in a large saucepan heat the sweetened condensed milk and simmer stirring constantly for about 10 minutes or it will burn. The milk will become a little bit golden (like halfway to dulce de leche). Add the roasted pumpkin, salt and the spices and continue to cook while stirring until it begins to bubble up, about five more minutes. Remove from heat and stir in the vanilla. Cool this completely in the fridge until cold.

2. Whip the heavy cream with a hand or electric mixer until stiff peaks. Take about ½ cup of the whipped cream out and save to topping the mousse. Fold the cold pumpkin mixture into the whipped cream and spoon into serving dishes. Top with the extra whipped cream

### Letter from the President

2022 is almost over!  
Let's try to make 2023  
a bigger and better club  
with more participation  
from all members.

I hope we can plan a few more activities  
so that we can get our classics out  
to go places. It is so wonderful to see  
a line of classic cars!!

We have been approved to have our July  
show again at the American Book Company.

What a great place!! Lots of room for as  
many cars as wants to be there!

It will be July 8th, 2023.

Mark your calendar!

The Fill the Truck with Toys  
will be October 14th 2023,  
again at Bush's Visitor Center.

Our Advertiser Book is ready for ads  
to be purchased from our sponsors.

Volunteers are needed to sell the ads, even if  
you just get one or two, it helps.

We also need a Secretary to take notes at the  
meetings. If interested, please let Pat know.  
Keep Cruisin',

# Fill the Truck With Toys

What a perfect day we had on Saturday, October 8th, 2022 for our Fill the Truck with Toys Car Show! The weather was perfect with sun shining all day, until late in the afternoon a slight breeze started and it was a little cool.

We had 102 vehicles sign up so we had lots of toys, many of which had been donated before the show. Canopies were set up everywhere and lots of laughter could be heard throughout the show. There were a few cars there that were not registered.

The three food vendors worked out perfectly with a vast variety of food. We had a hot dog cart which served homemade chili and cole slaw. Then the one trailer had hamburgers, fries, lots of sweets and many other things, And lastly but not least, there was barbeque which was smoked on the premises from Friday afternoon and it was delicious!! All three want to be at our next show which is in July.

The silent auction had lots of nice gifts and all of them sold. Our charities will be happy with the money we raised!

This was the 11th year of having the "Fill the Truck With Toys". Bush's has been great to help us out with this show year after year.
