Ramblin' On

After all the hard work selling ads, *our booklets are back!!* They look good and now it is time for Cruiser members to help by giving these out at car shows, cruise-ins, auto parts places, restaurants, barber shops, grocery stores, convenient stores, and anywhere else that might have people that are interested in cars! We owe it to our sponsors to give all of these booklets out. It is a total of 24 pages this year, the largest yet! Plus I have had a few people that didn't get into the book to ask for first consideration for their ads next year, several of those are full pages! So come to the cruise-in and collect part of the books and help your club give these out! We need to support our sponsors by buying from them also!! The price of the book was a lot better this year thanks to Miranda Harrington, Pat's granddaughter, who works at a printing company. She even delivered them right to my door!!

Plans for the July 6th Car Show are going great! The dash plaques have been ordered, the trophies have been decided on, and games and things have been decided on. It is running very smooth. All we need is for you to volunteer to do what you can for the club the day of the show. We need people to guide people in on where to park, to help vendors get set up, and all types of small jobs that won't take very long. We need more help around the registration booth and when the games start. *So don't be shy!!* Just volunteer, after all this is your club, and we want it to be a success.

The August 24th "Fill the Truck with Toys" show at Bush's Visitor Center has also been discussed. It will be in the ball park and the horse arena again this year from 10 am until 3 pm. It continues to grow each year and we can help a lot of children at Christmas!

If you are interested in joining our club, you can pull an application from our web site, mossycreekcruzers.org or you can come to the trailer at the cruise-in on Friday nights and someone there can help you! We would love to have you as a new member. Our club does a lot of good things for our communities in our county and other communities as well. So come on and join us, we go on cruises together as well as gathering at our cruise-in.

If you have articles that you would like to have printed in the newsletter, just give them to Pat & she will publish them.

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge at 7 pm. Come at 6 pm to eat!

Letter from the President

Hello Cruzers,

CRUISIN' SEASON IS HERE!! The weather has finally turned warm and our vehicles are ready to roll!! Our first cruise-in of the year was April 5th and the parking lot was full!! That is a good start for our cruise season. We will get the music ready and start with our 50s and 60s tunes playing.

Remember the cruise-in is Friday evenings from around 5:30 until 8 so plan on coming out and enjoy the vehicles and the people!!
