

**Mossy Creek Cruzers
Car Club**

**July, 2021 Edition
Volume 112 • Editor: Pat Dukes**

Ramblin On'

As the dawn started on Saturday, July 10th, all of the Mossy Creek Cruzers' eyes were on the weather and just hoping for no rain! Our main car show had been planned for months and months! As the morning light came, several of the Cruzers were already at the venue of the show getting ready and all set up. *Boy, what dedicated members that we have!* We were already setting out the canopies, tables, chairs, raffle and silent auction items by 5:30 am. All the while we were keeping our eyes on the sky to see what kind of weather we would have. Then all of a sudden it was starting to get light and the sun popped through the clouds. What a beautiful day it turned out to be!! We had about twice as many cars as we had expected and the motorcycle show was going well too. We also had an antique tractor show. Dean Morgan was there with his airplanes that gave the children rides all around the parking lot and they were having so much fun. We had scooters and golf carts as well as a 4-wheeler to get us all around the area. The smell of the food was great with several food vendors serving delicious food and the icy cones which were cooling to eat!

The weather was cloudy which made for a nice overcast day part of the time. We heard so many compliments during the show and afterwards. **The Cruiser volunteers really stepped up to help out that day. We have a lot of great members in our club and they really helped out so that the show went off without a single problem.**

Many compliments to **Brad Goldsmith** for the excellent job he did as the Car Show Director. Thanks to him, the flyers were sent out all over the internet and the attention to detail that he paid to the show the whole day, and weeks before, was above and beyond the best I have seen. He gave the trophies out to the winners in a very professional manner and everyone seemed happy.

I have received phone calls from people that were at the show telling how much they enjoyed it! That is always a pleasure to know that the hard work was very beneficial and a lot of charities will benefit from our hard work.

Since it was a new venue, there will be a little tweaking to make it bigger and better for 2022!! So plan on joining us on July 9th, 2022!! Door prizes, auctions, food, vendors and beautiful vehicles, what more could we ask for!! So mark your calendars!!

Mossy Creek Cruzers Car Club

Letter from the President

Cruzers,

I want to thank each and every one of you for all that you do for the car club. Each one of you is able to do something unique and different, which makes it possible for the club to do all the things that we do and participate in.

Everyone has to respect/accept each others comments/ideas/decisions, whether they agree or disagree. So let's work together to make it the best year yet !!

With so many good members that are all so supportive to the club and to the other members in all of our endeavours, we should now be the best club around!!

Friday Cruise Nights

Our CRUISE-IN is now being held at Tractor Supply in Jefferson City on Highway 11-E. It was voted to go there for our cruise-in by members of the Mossy Creek Cruzers at our July club meeting. Our first one was Friday, July 16th, 2021. What a great cruise-in it was!! Had lots of vehicles and signed new members! Being right on Highway 11-E was really nice. People stopped in to see the cars and to talk with us! Lots of fun. Plenty of places for food and rest room available. So join us for nights of fun, car talk and great friendships!!

The Mossy Creek Cruzers Car Club meeting is held the first Tuesday of each month at Shoney's in Dandridge. Come at 6:00 pm to eat and the meeting is 7:00 pm.
