## JULY 2017

The week of July 4th, 2017 was a very stressful week! All week long it rained each day... oh no .... how will this effect our 7th annual car show? Lots of prayers went up for a beautiful day because of our charities.

Then on Saturday morning, July 8th, as I woke up, the first thing I did was look outside to see if it was raining! I must have dreamed that it *was* raining during the night because I was surprised that it was cloudy but the ground was dry. I felt my heart jump... I was so happy!

Then as I drove to the site of the car show around 7:00 am, the sun actually started peeking through! All day we had good weather until around 2:00 pm when it started misting rain. We hurried and got the trophies awarded so that people could start leaving in order to keep these classic cars pretty. We also gave a grand prize of \$100 to one lucky vehicle.

The heavy rain held off until we had everything cleared and cleaned at the car show site! As we left to go home, I felt that our show was a great one, the car show, and the craft show. If you have an opinion or a suggestion on our event, send us an email to [mossycreekcruzers@aol.com](mailto:mossycreekcruzers@aol.com).

The music was fantastic all day long, bringing back memories of music when music made you want to tap your toes to the beat. The DJ, Richard French, was very good, he took care of the games, the veteran recognition ceremony, door prizes and anything else that we needed. If you need a DJ, let me know and I will get you in touch with him.

We had two food vendors this year but they were so crowded that next year we will have to bring on one more. That way people won't have to wait so long. Two Coaches Catering are always at our shows with their hot dogs and hamburgers cooked right on site.

The craft show was set up very nice with 23 vendors. Always nice to have something for the ladies to shop in and the guys that came alone to bring a surprise home to their wives! That would make them happy!

I would like to thank all of our members and the Junior car club member that helped us out so very much during the show. We could not have done this without the guys helping with the parking and we feel it went so much better this year without marking the spots! And the ladies at the registration booth and the silent auction booth, thank you so much, y'all did a great job, that includes Mike & Kathy Reading's Grandson, Matthew, who worked in the registration booth and sold 50-50 tickets for us, Can't wait for him to get old enough to join the club! *We need more members like him!* And thanks to the seller of tickets for the fishing trip.

If I have forgotten to thank anyone, please forgive me and know that I appreciate every one of you and the things that you do for our wonderful club!

Don't forget our cruise-in on Friday nights. We are now doing a 50-50 each week (that is each week that it is NOT 100 degrees or raining). And we try to have music and if you have suggestions, just let us know!

Mark your calendar for August 26th for our Bush's Visitor Center for our Fill the Truck with Toys. Registration is to bring a new, unwrapped toy to donate to underprivileged children in our county. Help us make our children smile! That's what our club is about, helping our communities.

*Keep Cruisin', Pat Dukes*

# Letter from the President, Larry Boggess

Hello Everyone,

I want to thank all that attended our car show on July 8th. I also want to thank each of our sponsors, as well as everyone that worked so hard to make the show such of a success. Our club and our community owes each of you our gratitude. By volunteering the sacrifice of your time, the Mossy Creek Cruzers will be able to help a greater number of charities in our community, even more this year than we have in the past. If you have any suggestions about charities that we can help, please do not hesitate to call one of the officers or bring it up at the meeting.

Remember the 6th Annual Fill the Truck with Toys Cruise-in at Bush's Visitor Center on Saturday, August 26th, from 10 until 3 in Chestnut Hill (part of Dandridge). A new, unwrapped toy for a boy or girl is the registration fee. We will be in the grassy area just behind the parking lot. Turn in at the lower part of the parking lot and proceed to the small road that runs through the grassy area. NO PARKING ON THE ASPHALT, just in the grass. We will need a few people to help get the cars parked.

Larry Boggess, President of the Mossy Creek Cruzers Car Club
