Volume 62
Editor: Pat Dukes

When Spring finally comes, everything starts at once!! Just this week I have been to two cruise-ins and enjoyed both of them! One was, of course, ours at Big Lots in Jefferson City on Friday evening. Quite a few vehicles so hope it continues that way. We had music playing and will have 50-50 tickets next week which will be sold there.

Then on Saturday afternoon several of us met at First Peoples Bank in Jefferson City around 5:30 pm, and took a cruise together down 11E, then through Mascot to 11W and drove to Food City in Blaine where the Grainger County Ridgerunners have a cruise-in once a month. It was so nice to just get a chair out and sit with friends and also get to see friends that I haven't seen in a while. The weather was perfect. This wasn't scheduled until the day before we decided to go but next time we will schedule it earlier.

After we got back from the cruise-in, Debbie Colbach and I went to the New Market Volunteer Fire Hall Saturday night dance to listen to the band play. The band will be playing at our car show in July and we just wanted to hear them. Really enjoyed going there. So this weekend was very busy!!

April 22nd is the Cruise Against Cancer in Newport. It is an 18 hour cruise-in. We are meeting at First Peoples Bank in Dandridge to leave at 9am to go up 25-70. Let's travel together to make a statement of the strength of the Mossy Creek Cruizers! You can stay as long or as short a time as you want to. The cruise starts at 6am and ends at midnight.

The booklets are back!! All the ads were sold by Mike Reading, Bob Cross, Debbie Colbach, Larry Boggess, Joan Spoon, Tom Hultz and me, Pat Dukes! The book was 16 pages last year but we increased it to 20 pages this year so that has more funds for our charities. We also included one page as a registration for the "Fill the Truck With Toys" show and part of a page to advertise our Craft Show and Swap Meet as well as an article about Skylar Hamilton who donates the fishing trip.

I ordered the printing from a place in California on Friday, April 7th and got them back on the 14th, and with free shipping! You can pick the booklets up from Bob Cross, Debbie Colbach, Larry Boggess or from me (Pat).

Each member needs to get a few of these booklets to give out at cruise-ins and car shows so we can get the word out. See our tentative schedule on page 2 so you can be sure to join in on the fun-runs that we have scheduled. If there are additional runs scheduled at the last minute I will call the ones of you who do not have email.

The JUNIOR Mossy Creek Cruizers Car Show at Jefferson County High School is Saturday, April 29th from 9 until 3. Please come and support these young people!! We can just meet at the school. I think the fee is \$10 or maybe \$12.

If you have any news or articles to submit to the newsletter, just give to Pat or email to mossycreekcruizers@aol.com

Don't forget that the membership fees for 2017 are due. The fee remains \$20 for you plus your spouse or significant other. You can mail the fee in or bring it to the meetings at Shoneys or the cruise-in. Address at bottom of page to mail to. This will be your last newsletter until you rejoin the club.

Letter From the Cruiser President

Hello everyone,

Time to get your cars out and enjoy this beautiful area we are so blessed to live in. OUR car show will be here soon and we all should pitch in to make this show our best ever. The club helped a lot of people over the past few years. We hope to raise even more money this year so the club can help even more people in our community and the surrounding communities. It will take us all working together to make our club successful. We also should support the other car clubs in our area. We are all working to help our communities, not competing against each other.

Larry Boggess
President

The Mossy Creek Cruizers Car Club monthly meeting is held the first Tuesday of each month at Shoneys in Dandridge
