Mossy Creek Cruzers Car Club

March, 2021 Edition Volume 108 • Editor: Pat Dukes

Ramblin' On

After all the hard work selling ads, designing the booklet, our booklets are ready to be ordered!! They look good and when they get back, it is time for Cruzer members to help by giving these out at car shows, cruise-ins, auto parts places, restaurants, barber shops, grocery stores, convenient stores, and anywhere else that might have people that are interested in cars! We owe it to our sponsors to give all of these booklets out. It is a total of 28 pages this year, the largest yet! Plus I have had a few people that didn't get into the book to ask for first consideration for their ads next year, several of those are full pages! So come to the cruise-in and collect part of the books and help your club give these out! We need to support our sponsors by buying from them also!! The quote of printing the book is very good this year thanks to Miranda Harrington, Pat's granddaughter, who works at a printing company.

Plans for the July 10th Car Show are going great! The dash plaques have been designed and will be ordered soon, the trophies have been decussed, and games and things have been decided on. It is running very smooth. All we need is for you to volunteer to do what you can for the club the day of the show. We need people to guide vehicles in and help them park, to help vendors get set up, and all types of small jobs that won't take very long. We need more help around the registration booth and when the games start. So don't be shy!! Just volunteer, after all this is your club, and we want the show to be a success.

The October 9th "Fill the Truck with Toys" show at Bush's Visitor Center has also been discussed. It will be in the ball park and the horse arena again this year from 9 am until 3 pm. It continues to grow each year and we can help a lot of children at Christmas!

If you are interested in joining our club, you can pull an application from our web site, mossycreekcruzers.org or you can come to the cruise-in on Friday nights at Hardee's in Dandridge and someone there can help you! We would love to have you as a new member. Our club does a lot of good things for our communities in our county and other communities as well. So come on and join us, we go on cruises together as well as gathering at our cruise-in.

If you have questions about our club, just ask any of the members and they can either answer your questions or guide you to someone that can.

We are a friendly, family oriented car club and we would love to have you join us!
