## February Newsletter

*Ramblin' On*

If you missed the Valentine's Day Party, you missed a lot of fun! The Cruzers met on Wednesday, February 12th at the Captain's Galley for an evening of fun, camaraderie, laughter and just an all around good time! We talked, we visited, we ate and we played games! The game we played was brought to us by Joan Spoon. It was called "The New Newly Wed Game". Each couple had 2 pieces of paper and were asked questions to see if their answers matched. Some did but also some did not!! Lots of laughter! The couple with the most answers that matched was our new members, Rick and Jackie Swank. They won a chocolate truck!!

As we go into another year of this fantastic car club, it is time to rejoin and be a part of all the fun times! We have a great club and a very good car club committee with 9 or 10 volunteers to help with the show as well as sell the ads to promote our flyer. Larry Boggess has volunteered to be the Car Show Director again this year. You can rejoin anytime. Print a membership form from our web site, [www.mossycreekcruzers.org](http://www.mossycreekcruzers.org) and mail it to Mossy Creek Cruzers, 562 N. Highway 92, Jefferson City, TN 37760. Still only \$20! Make check payable to Mossy Creek Cruzers. If you don't have them yet, you will receive two T-Shirts per couple. Can't wait to hear from you!!

Be on the lookout for lots of fun-runs this year. We have a list that a schedule will be made from plus extra tours added from time to time also. Just watch your email to be notified when something is planned!

## Letter from the President

Hello Cruzers,

When we first started talking about a local classic car club in 2012, we were able to think of many reasons why you would want to join one. Interestingly, we couldn't think of any reasons why you wouldn't want to join an antique/street rod/classic car club. Maybe one day, something will come to mind, but until then, we'll just concentrate on all the great benefits you can expect from a car club membership - such as:

- Meeting new people who share the same interests.
- Activities that include the entire family.
- Getting maintenance tips and technical advice.
- Adding to the enjoyment of owning a classic vehicle.
- Keeping informed on classic car events and activities.
- Raising funds for charitable causes.
- Touring together to different destinations and of course, eating out!

Meetings of the Mossy Creek Cruzers Car Club is always the first Tuesday of each month at Shoneys in Dandridge at 7:00pm. Come at 6:00pm to eat. SHONEY'S IS STILL CLOSED FOR REMODELING. WE WILL MEET AT GOLDEN CORRAL in MORRISTOWN on MARCH 3rd. The club is a non-profit organization that wants to promote interest in Classic, Antique and Street Rods through the development of local cruise-ins, car shows and other events. The intent of the club is to donate to various charities and families in need as well as enjoy our classic cars and the people that own them. Our car show funds and membership fees will be used to pay for expenses of running the club such as postage, printing, insurance and a website but with the majority of the funds going to our charities. We intend to have cruises to designated places and car shows throughout the cruisin' season. We encourage members & families to participate in the club and its activities. It is time for memberships to be renewed and it is still just \$20 per year and you will receive 2 T-Shirts if you don't have one. The club will be run by the majority of members at the meetings. So attend meetings, offer suggestions, vote on items brought before the members, try to be involved in the club activities and volunteer your time. It is all on a volunteer basis and you are needed. A schedule of our events will be discussed at each meeting.

Pat Dukes is the President and Newsletter Editor in 2020. Joan Spoon is the Vice-President of the club, Carol Ehm is the Treasurer and Cindy Gaylord is the Secretary, Charlie Ehm is the Sergeant of Arms and Richard French is the Chaplain and Larry Boggess is the Car Show Director.

Whatever your interests are regarding car club activities, we hope you will enjoy being in the club. We are open to suggestions from everyone about ways to make our club more enjoyable to be a member. We are planning activities throughout the year and want a feeling of camaraderie with other members that motivates you to suggest activities that you would like to see happen. Car clubs are a great place to meet interesting people that doesn't get bored with all the "car talk". They actually enjoy hearing about the new carburetor that you installed to keep the car from bogging down and the body work that has been done to your car to customize it and the new paint job. Also the talk about all the events we plan for the club.

*It just doesn't get any better than this!!*

*The Club Car Show Committee meets every couple of weeks to get our two shows planned for the year. If you would like to be on the committee, let either Larry or Pat know and we will add you to the list. Then when a meeting is scheduled you will be notified. The meetings are usually during the day, usually Tuesday and we normally meet at Perkins. We have a meal and then go straight to the meeting. We then discuss plans for the shows and how they will be set up and suggestions are welcomed. We always like to add something new to keep our shows interesting so we can continue to have the best shows around!*
