Never problems only Solutions

Enjoy the trust and personalization provided by our family business. Bingham Contracting is our heart and soul. We have been in the construction and renovation industry for over 30 years and can guarantee a job well done. We have all your contracting needs covered, from roofing to foundations and everything in between. Our aim is to provide an honest, dependable working relationship with all of our customers. We understand that each job has particular needs and that is what we cater to. Listening to our customers and understanding the industry is what makes us stand out. Communication is key in our business and we will work with you and/or your company to provide a quality of workmanship that is second to none.

We look forward to working with you.

Sincerely,
