Passports will **NOT** be needed! That's right! For this trip your valid State ID/Drivers's License is good enough. So now, there isn't anything to worry about. Just book your cabin (\$50.00 still holds it), pack your bags and get ready to relax and enjoy this time with your TPWB Family!

### **But wait! There's more...**

- As we will be leaving from the beautiful Port of Miami, there is so much to do if you arrive early enough. We are planning a Meet & Greet the night before, but you must let us know if you are coming. Email anyone on the Los Angeles Chapter Planning Committee and we will make sure to save your spot.

### **And finally...**

The TPWB Family website is up and running! Go to [TPWB.ORG](http://TPWB.ORG) to see some of our history, past events and important updates as we get closer to our reunion.

Your chapter President has been meeting with the Planning Committee and has more specific information should you have questions.

**Now it goes without saying, but here it is anyway...This event is about FAMILY!  
Not Politics.**

**Not Personal Feelings.**

**Not Lifestyles.**

**Not anything but blood. This is our time to come together and get to know each other better. Show the world what true family heritage looks like.**

**FAMILY. Pure. Simple. Love.**

**On behalf of the Los Angeles Chapter Planning Committee, I hope everyone is super excited and ready to continue building this family's legacy. God Bless and please stay safe!**
