2026 Nominee

Vocalist of the Year

Entertainer of the Year

Colorado Country Music Hall of Fame

WAGS

Raised on country and oldies tunes, but only started singing in his 50's, Dennis "Wags" Wagner was only recently discovered and has fully embraced his destiny as the front man on the mic.

RICHARD

Richard is a familiar face in the local music community where he blends classic rock energy with country soul to create shows that are as much about the good times as the music. You can always count on him to deliver a great time and keep the crowd singing along.

JIM

Jim is known for steady groove and strong timing. Active in the local music scene, he is a regular on stage, bringing a solid, consistent beat to live shows. Focused on keeping the band tight and the energy moving, you can trust him to be a force behind the drum kit.

DAVID

David is the newest member of the band and doesn't miss a beat. He is consistently part of the music scene and brings amazing performance from guitar to awesome vocals.

WOODY

"I'm just the bass player."
