

# Puppy Guarantee

## Health

SnoogleDoodles, a division of LightCraft Inc. (hereafter SnoogleDoodles) guarantees to you the original purchaser (hereafter you, your) a puppy in good health at the time of sale. This puppy is sold as suitable for a pet and no guarantee is made for show or breeding quality. This guarantee is provided for the protection of SnoogleDoodles and you, but is primarily for the benefit of the puppy.

Your puppy has been vet checked and is up to date on shots and worming as noted on the attached form. It is your responsibility to continue to care for this puppy. You must continue the vaccination and worming schedule and not expose your puppy to other dogs that have not been vaccinated until your puppy has completed their initial vaccination schedule at 12 to 16 weeks.

Your puppy must be checked by a licensed veterinarian (hereafter vet) within 48 hours of receiving the puppy, excluding weekends and holidays. If your vet finds the puppy unhealthy for purchase, SnoogleDoodles must be notified immediately in writing by your vet, and subject to verification of the health issue by SnoogleDoodles vet, we will replace your puppy with another of like value when one becomes available or refund your purchase price.

## Congenital Defects

SnoogleDoodles guarantees to you this puppy to be free from congenital defects until the age of 24 months. If a vet determines your puppy has a hereditary or congenital defect that prevents it from leading a normal life, your vet must notify SnoogleDoodles in writing within 24 hours, and subject to verification by our vet, we will replace your puppy by crediting your purchase price toward the purchase of another puppy from SnoogleDoodles or offer reasonable treatment at our vet at no cost to you, up to the original purchase price of the puppy.
