

Puppy Purchase Order

SnoogleDoodles will let you know when a puppy of interest may become available. If you wish to reserve a puppy, a \$500 non-refundable cash deposit will be required to hold that puppy for adoption (typically at 8 weeks of age). The agreed cash purchase price will be indicated below. If the chosen puppy is not available due to the puppies health or prior purchase, we will advise you about other puppies that may become available and transfer your deposit to that puppy, or refund your deposit in full. SnoogleDoodles makes no guarantee of the suitability of this puppy to show or breed. It is sold as a pet.

Please note that in order to protect the health of the puppies, we need to limit their contact with others until their vaccinations are complete. Please call ahead if you want to view the puppies and we will arrange a visit when it is safe to do so, typically after five weeks.
