

LittleFreeBookshop.com

Free Books. For Everyone. Always.

At LittleFreeBookshop.com, we believe every reader deserves access to a wide variety of books. Our mission is simple: to provide FREE used print books to anyone—no matter where you live or what your income may be.

How It Works

- Visit our Products page and browse by category or author (books are listed alphabetically by author's last name).
- Add the books you'd like to your cart—just like any other online store.
- At checkout, enter your mailing address.
- Your books and postage are completely FREE.

What's the Catch?

There isn't one—just a limit of two books per week. Come back the following week to order more! These books are yours to enjoy, share, or gift. We only ask that you don't sell them (many are Advance Reader Copies, which cannot be sold).

How We Do It

LittleFreeBookshop.com is a registered 501(c)(3) charitable nonprofit.

- Donations of books and funds make this possible.
- All monetary and book donations are tax-deductible and directly support mailing supplies & postage.

Ways You Can Help

- Stay connected - Follow and share: [@LittleFreeBooks](https://www.instagram.com/LittleFreeBooks) on Instagram.
