

Bookkeeping2go

EXCITING NEWS!!

Starting June 1st 2026 **Bookkeeping2go** will be adding a mobile option for its clients

We want our clients to focus on what's important...

Take every opportunity to grow sales and profits!

To help achieve this, **Bookkeeping2go** will come to your place of business, armed with everything needed to perform their normal duties. All we need is some space to put our computer equipment and a couple of plugs.

A nominal charge will be added to your invoice for this service.
