

# The Vito Sport

Mercedes-Benz

The Vito Sport delivers all the performance you'd expect from a Mercedes-Benz with a choice of 150bhp CDI or a 204bhp V6 CDI engine. Luxurious extras make it stand out from the crowd, such as a leather-covered steering wheel, exterior chrome elements, metallic paint and 'Sport' badging. The Dualiner version even comes with privacy glass and child safety locks. Now you can work hard all week and take your family and friends out in style at the weekends.

Interior
