Optional 9 seat capacity (8 seat standard)

BlueEFFICIENCY

Fast forward to viable efficiency

The Vito BlueEFFICIENCY models reduce both fuel consumption and pollutant emissions thanks to the interaction between the economical diesel engine, consumption-optimised ECO Gear manual transmission (not available on 122 CDI models), and further fuel-economy measures. All of which can be included in the specification, depending on model variant.

Components of BlueEFFICIENCY package for Vito models:

- Euro 5/III diesel engine
- ECO start/stop function (manual only)
- ECO power-steering pump
- Electrically controlled fuel pump
- Shift point recommendation (manual only)
- Fuel efficient eco-tyres
- Alternator management
- Battery management
- In-engine measures

Prices exclude delivery, on-the-road costs and VAT. Refer to footnote on page 4 for details.

Vito Sport

Vito Sport X

Sport and Sport-X

Available as both a Panel Van and Dualiner (with extra seats) both models now come in a great range of colours for your individuality. They're ready for any challenge you take them on, from urban highways to forest tracks - true multi-purpose vehicles: trusted workhorses during the week and cool chariots for all your weekend pursuits. They've got numerous cool extras including alloy wheels (Brabus versions on the Sport-X) and much more....

The Sport and Sport X now come as standard with:

- Air conditioning
- Bluetooth connectivity
- CD Player (MP3, WMA compatible)
- Chrome detailing
- Colour coded bumpers
- Multi-function steering wheel
- Speedtronic and cruise control
- Tinted privacy glass (on Dualiner)

Model and option prices quoted are ex-factory and exclude VAT. A standard national delivery charge of £550 excluding VAT will be added to model prices quoted in this price list. All model prices include standard finish paint choice. The right is reserved to alter specification and vary prices without notice. *Vito Traveliner and Shuttle models in standard specification are 8 seat capacity (driver + 7 passengers). Optional seating layout of 9 seat capacity (including driver) is available on Traveliner models.
