

# X-Class Price List

Effective from January 2019

Mercedes-Benz

# X-Class. First of a new kind.

As the first ever pickup from a premium manufacturer, the X-Class stands apart from the rest. It's a rugged, all-terrain pickup that's equally well suited to modern urban lifestyles. It's ideal for work or play. It's the first of a new kind.

The X-Class pushes the boundaries of the classic pickup – offering comfort, design, safety and connectivity in addition to an impressive load capacity of over 1,000kg and a towing capability of up to 3,500kg. There's more than enough space for all your tools and work materials – or your sports and leisure gear. The choice is yours.

The vehicle's tough performance is complemented with a ride quality that makes daily driving a pleasure. And with numerous options and accessories to choose from, you can make the X-Class your own. See for yourself over the following pages, where you'll find a comprehensive breakdown of everything available.

Contact your local Dealer to book a test drive.

Model and option List Price are quoted ex-factory and exclude VAT unless otherwise stated. A standard delivery charge of £600 excluding VAT will be added to model prices quoted in this price list. All model prices include standard finish paint choice. The right is reserved to alter specification and vary prices without notice. The availability of options may depend on the chosen base vehicle and other optional equipment specified, and should be confirmed with your Mercedes-Benz Dealer prior to order placement.Mercedes-Benz Vans UK Ltd, Tongwell, Milton Keynes, MK15 8BA  
Official fuel consumption figures for the Mercedes-Benz X-Class range in mpg: Urban 27.7 - 34.9, Extra urban 34.0 - 40.9, Combined 31.4 - 37.2, Combined CO<sub>2</sub> emissions: 200 - 236g/km. The indicated values were determined according to the prescribed measurement method. These are the “NEDC CO<sub>2</sub> values” according to Worldwide Harmonised Light Vehicle Test Procedure (WLTP). For more information on these values and how they have been calculated please see [www.mbvans.co.uk/WLTP](http://www.mbvans.co.uk/WLTP).  
Official EU-regulated test data are provided for comparison purposes and actual performance will depend on driving style, road conditions, chosen optional extras and other non-technical factors.

# X-Class Accessories

Description	Notes	Part Number		PROGRESSIVE	POWER	RRP excl. VAT
Hard Cover without Styling Bar	With a design and paint scheme that matches your vehicle, this hard cover seamlessly blends into the aesthetics of your pickup. Mercedes-Benz lettering on both sides visually upgrades the look. And from a functional point of view, the hard cover provides reliable protection from the weather, dust and theft. Available in all standard body colours.	Chisana White shown in image A47085100009139		<input type="radio"/>	<input type="radio"/>	£1,645.00*
Hard Cover with Styling Bar	The styling bar on our hard cover only adds to the premium look and feel of this particular accessory. And with a paint scheme that matches your vehicle, the hard cover seamlessly blends into the aesthetics of your pickup. Mercedes-Benz lettering on both sides upgrades the look. And from a functional point of view, the hard cover provides reliable protection from the weather, dust and theft. Chisana White shown in image. All standard body colours available. Styling Bar available separately.	Chisana White shown in image A47085101009139		<input type="radio"/>	<input type="radio"/>	£1,645.00*
Sliding Bed Divider System	The load area partitioning system divides the bed into 2 separate parts. It helps you fix loads securely to transport your gear confidently. The system is continuously adjustable and is suitable for loads weighing up to 100 kg.	A4708510600		<input type="radio"/>	<input type="radio"/>	£ 348.00*
Roll Cover	Our roll cover, made from robust, high-quality aluminium, protects your cargo against moisture and dust as well as theft. It can be opened and closed in stages – and can be quickly and easily installed and removed. It is locked using a separate key. Please note, this product is not completely water-tight or dust proof and it is not compatible with lockable stowage box or sports bar.	Anodised Silver Aluminium A4708511100		<input type="radio"/>	<input type="radio"/>	£1,477.00*
		Anodised Black Aluminium A4708511600		<input type="radio"/>	<input type="radio"/>	£1,477.00*
Load Liner Kit	The weather-resistant load liner kit provides effective protection from paint damage. The black liner, which can be precisely adapted to the bed, is made from durable plastic and runs below the load compartment sill. This means that it is compatible with the bed covers, the lashing rails and the load anchoring rail system on the side panels.	A4708511500		<input type="radio"/>	<input type="radio"/>	£ 250.00*

\*Price does not include installation.

Description	Notes	Part Number		PROGRESSIVE	POWER	RRP excl. VAT
Styling Bar	The solid and scratch-resistant styling bar, in polished stainless steel or steel black, is the perfect accompaniment to the X-Class's striking and robust pickup design. It helps to give the vehicle an even more progressive appearance. Mercedes-Benz lettering underscores its value, and it also includes an integrated 3rd brake light. Hard Tonneau Cover available seperately.	Polished Stainless Steel (Standalone) A4708902000		<input type="radio"/>	<input type="radio"/>	£445.00*
		Steel Black (Standalone) A4708902200		<input type="radio"/>	<input type="radio"/>	£445.00*
		Polished Stainless Steel (fitted with Hard Tonneau Cover) A4708902100		<input type="radio"/>	<input type="radio"/>	£445.00*
		Steel Black (fitted with Hard Tonneau Cover) A4708902300		<input type="radio"/>	<input type="radio"/>	£445.00*
Lockable Stowage Box	The lockable stowage box provides plenty of room for your tools and gear, with a capacity of 156 litres. It also protects from weather or theft. The box is scratch-resistant, robust, durable, and water-resistant. Since it can also withstand high-pressure cleaning equipment and car washes, it can be easily and conveniently cleaned. The box is fitted in the load anchoring rail system and is fully adjustable. Please Note - This product is not compatible with a roll cover.	A4705800000		<input type="radio"/>	<input type="radio"/>	£364.00*

\*Price does not include installation.

● Standard   ○ Optional   – Not available

Description	Notes	Part Number		PROGRESSIVE	POWER	RRP excl. VAT
All-Season Rubber Floor Mat Front Set - Black	Our hard-wearing, all-season mats help protect the interior when the weather is rainy, when there's slush underfoot and when shoes are muddy. Their precision fit provides optimum protection for the original floor covering and the raised edge prevents liquid from seeping into the floor. The material is easy-clean and waterproof. The mats are tested to ensure Mercedes-Benz quality and will withstand any scuffing test. And the mats score highly when it comes to flame-resistance too. The Genuine Mercedes-Benz mushroom-head fastening system keeps the drivers mat securely in place.	A47068011009G33		○	○	£34.80
All-Season Rubber Floor Mat Rear Set - Black		A47068017009G33		○	○	£20.90
Velour Floor Mat Front Set - Black	Our floor mats have to undergo rigorous testing before they are deemed worthy of the star logo: durability, fade-resistant colour and a neutral odour, even after three winters of use, are all specifications that must be met without compromise. They can also be clip-fastened to the floor to prevent slipping.	A47068001009J74		○	○	£47.40
Velour Floor Mat Rear Set - Black	Our mats are manufactured in high-quality, pure polyamide velour and are designed to cope with the highest of demands. They are dirt-repellent, anti-static, highly flame-resistant and, thanks to the non-slip backing, secure and adaptable.	A47068006009J74		○	○	£25.80
Underride Guide (Engine/Trans) - Stainless Steel	The 3-piece technical underride guide made from robust stainless steel extends over the entire underfloor of the vehicle and can protect the engine, transmission and exhaust system. The convenient openings make it easier to carry out repair and maintenance work. Please note, this product it is not compatible with X 350 d V6 4MATIC.	A4705200000		○	○	£681.00*
Garmin MAP PILOT SD Card	CardUser-friendly navigation, accurate map data and excellent route guidance – the Garmin® MAP PILOT system brings all the benefits of a Garmin® navigation system to the Audio 20 CD with touchpad. All you need to do is insert an SD card featuring the navigation software and map data.	A2139063605		○	○	£412.50
Tow Bar Coupling	The rigid trailer coupling is permanently attached and always ready for use. 13-pin electrical socket kit available separately.	A470310170028		○	○	£270.48*
Tow Bar Harness	The electrical kit for the trailer coupling is a cable harness with a 13-pin socket. The box has an increased impermeability in order to allow fording. Kit includes control unit.	A4705401404		○	○	£105.00*

\*Price does not include installation.

● Standard   ○ Optional   – Not available

Description	Notes	Part Number		PROGRESSIVE	POWER	RRP excl. VAT
Hardtop Canopy without Roof Rails	The hardtop canopy, without roof rails, extends the load compartment and protects from theft. Thanks to the use of high-quality materials, it is robust, long-lasting and keeps both moisture and dust away from the load. The lines of the hardtop, which are painted in the same colour as the vehicle, are an excellent complement to the overall design. All standard body colours available.	Chisana White shown in image A47079001009139		○	○	£2,576.00*
Hardtop Canopy with Roof Rails	Different window variants provide the load compartment with light and fresh air. All of the windows have a dark tint and provide both heat protection and privacy. The hardtop is equipped with a robust interior lining and comes with LED lighting. All standard body colours available. Please Note: Do not attach loads directly to the roof rails. For the securing of loads, additional basic carrier bars and suitable add-on carrying equipment are required. For safety reasons, Mercedes-Benz recommends only using accessories which have been approved for use with the Mercedes-Benz X-Class. The maximum load of the roof rails is 330 lb (150 kg).	Chisana White shown in image A47079003009139		○	○	£2,791.00*
Basic Carrier Bars for Roof Rails	These multifunctional aluminium bars – with a newly developed aerodynamic profile based on aircraft design – significantly reduce wind noise and fit perfectly with your Mercedes-Benz. Basic carrier bars for roof rails, precision-tailored to the body of your vehicle, offer the basis for a range of Mercedes-Benz transport accessories: ski and snowboard rack, bicycle rack or roof boxes.	A4708980000		○	○	£190.00
X-Class Model 1:18	This miniature model of our game-changing pickup, made with a particularly high level of detail, is designed to top off the collection of your new vehicle. The model demonstrates hand-assembled precision, genuine shades of paint, and a true-to-original representation of the interior and all equipment items.	B66006629 Kabara Black				£77.00
		B66006628 Bering White				£77.00
Sports Bar	The sports bar painted in the same colour as the vehicle optimally fits the vehicle design and gives the pickup a dynamic and sporty look with its innovative design. High robustness and durability are achieved thanks to the use of high-quality materials. The third brake lamp is integrated in the sports bar and fulfils the legal regulations. The sports bar is fitted to the load compartment sill of the bed and extends to the end of the bed, whereby it also helps to protect the edge. It can also be combined with further pickup accessories such as bed liners, stowage boxes etc. The bed lighting is not affected by the sports bar. Available in all standard body colours. Please note, roll cover is available separately.	A47086092009139		○	○	£828.00*
Spoiler for tailgate		A47086091009139		○	○	£104.00*

\*Price does not include installation.

<sup>1</sup> The stated values have been determined according to the respective measuring method (according to Regulation (EC) No 715/2007, as amended). Note: The information does not refer to a single vehicle and is not part of the offer, but serves solely for purposes of comparison between the different vehicle types. CO<sub>2</sub> emissions resulting from the production and supply of fuel or other energy sources are not taken into account when CO<sub>2</sub> emissions are determined in accordance with Directive 1999/94 / EC. <sup>2</sup> Further tyre sizes available as an option. <sup>3</sup> Tank capacity for all engines as standard approx. 73 l. Reserve approx. 10 l. Tank content AdBlue®: approx. 17 l.

Weights and dimensions	X 220 d PROGRESSIVE	X 250 d PROGRESSIVE	X 350 d POWER
Useable load area inside Platform [m²]	2.48	2.48	2.48
Turning circle diameter (wall to wall) in m	13.4	13.4	13.4
Unladen weight <sup>4,5</sup> in kg	2160	2178	2233
Max Payload Gross <sup>4</sup> in kg	1140	1122	1067
Max Payload Net in kg	1065	1047	992
Total weight <sup>4,5</sup> in kg	3300	3300	3300
Trailer load in kg braked/unbraked	3500/750	3500/750	3500/750
Total weight towing mode in kg	6130	6130	6180

<sup>4</sup> Total Weight – is the total weight of the vehicle including: the vehicle itself, payload, driver and crew (as per industry standard of 75kg per person), fuel tank at 90%, oil and ancillaries. Unladen Weight – quoted weights are based on standard specification, includes fuel tank approximately 90% full but no driver, crew or payload. Any additional options will reduce the payload accordingly. For those customers who intend to load the vehicle to maximum capacity, we recommend adding 5% extra to the unladen weight of the vehicle to reduce risk of overloading. Max Payload Gross\*- Total Vehicle weight minus Unladen Weight <sup>5</sup> The real consumption values are, a. depending on the vehicle weight and the selected equipment. For further information please contact your Mercedes-Benz sales representative. Original accessories (eg roof rims, hardtops, etc.) can have relevant vehicle characteristics such as weight, rolling and air resistance, and have an influence on the values of consumption and driving performance in addition to traffic and weather conditions. Official fuel consumption figures for the Mercedes-Benz X-Class range in mpg: Urban 27.7 - 34.9, Extra urban 34.0 - 40.9, Combined 31.4 - 37.2, Combined CO<sub>2</sub> emissions: 200 - 236g/km. The indicated values were determined according to the prescribed measurement method. These are the "NEDC CO<sub>2</sub> values" according to Worldwide Harmonised Light Vehicle Test Procedure (WLTP). For more information on these values and how they have been calculated please see www.mbvans.co.uk/WLTP. Official EU-regulated test data are provided for comparison purposes and actual performance will depend on driving style, road conditions, chosen optional extras and other non-technical factors.

Technical Data

**Terms and Conditions** Vehicle and option availability and combinations may be subject to change since this price list was issued. Model and option List Price are quoted ex-factory and exclude VAT unless otherwise stated. A standard delivery charge of £600 excluding VAT will be added to model prices quoted in this price list. All model prices include standard finish paint choice. The right is reserved to alter specification and vary prices without notice. The availability of options may depend on the chosen base vehicle and other optional equipment specified, and should be confirmed with your Mercedes-Benz Dealer prior to order placement.
