## Our Community

Through our care and services, we strive to make Anaheim Crown Plaza the best in the community in which we serve. We are a multi-level Assisted Living Community, with beautifully landscaped courtyards and seating areas located in the heart of West Anaheim. We are minutes away from the 91 and 5 Freeways, close to the world-famous Knott's Berry Farm, and conveniently located next to West Anaheim Medical Center.

We strive to assist our residents in maintaining as much independence as possible. Our community provides a dignified environment for seniors who are unable to live alone but do not require skilled nursing services. Our apartments are equipped with an emergency call system to alert staff when assistance is needed. Qualified staff is available with available to assist with activities of daily living, whether it be medication management, incontinence support, bathing and or grooming.

## Activities

At Anaheim Crown Plaza, we believe in engaging our residents' mind and body. Our Activities Director develops a calendar of diverse activities to ensure we meet the needs and interests of all our residents. Staff ensure that residents have the opportunity to socialize and create new memories through a variety of organized events and functions because we know that loneliness and social isolation can have devastating effects. Whether it's a fitness class, arts/crafts, trivia, nature walks or outings to a local restaurant, we strive to provide meaningful activities for all residents.

## Experienced and Supportive

We understand that not one care plan fits all. Daily services can include anything from meal preparation, hygiene, cleaning, and supervision. We will take the time to get to know you and develop an individualized care plan that fits your specific needs.

## Fine Dining

Enjoy deliciously prepared meals by our Head Chef surrounded by friends. Our dining staff is here to ensure that you are served a nutritious home-cooked meal and that there are alternative options available to meet your needs. We also prepare meals to accommodate special/restricted diets.
