

Greetings,

Welcome to Anaheim Crown Plaza! We are a senior community specializing in providing care and services in a home like environment. Our personal care providers are here to assist with activities of daily living such as medication management, laundry, bathing/grooming, ambulation assistance, and much more.

We offer a full array of transportation services to medical appointments, shopping, banking and social outings. In addition, we have a licensed nurse and home health aides on premises to provide required medical care.

Our Chef designs our menus and offers a wide variety of gourmet meals. Our Activities director develops our monthly calendar to ensure our residents stay active and engaged.
