Newsletter Editors Note.

I welcome any and all suggestions for the Vette Gazette. If there is something you would like to contribute as a member, please feel free to contact Larry Dann at his listed phone or email address in the Buzz Book.

Are there any items you would like to see on a regular basis?

Last year I added a few new member biographies and would like to continue that. If you would like to have your bio added to the newsletter please contact me as I have a questionnaire you can fill out and add whatever else to it you may like our members to get to know about you.

This is a great way for you to introduce yourself to the OCC.

Do you like the format of the Vette Gazette? Is it easy to read and understand? It is very easy to change this if it is not

working for the bulk of the membership.

Thank you for your time and consideration.

Old Business and New Business at O.C.C. December 2018

Spring is just around the corner! It won't be long and we all will be out enjoying the beautiful weather. Put your thinking caps on now and plan an event for the club! It will be fun!

Under Old Business, Randy Vollmer presented out going president, John Miceli, with a beautiful framed and mounted photograph of him in his beautiful Indy Pace Car Edition on the track at the National Corvette Museum Track for his past 4 years of service on the board of the OCC. Thank you John for all you have done and will most certainly continue to do!

President Kendall Willis dove right into the New Business.

Jim Ford explained the group about the upcoming St. Louis Auto Show. He thanked everyone for signing up and for filling the work roster. He explained that you could only enter the facility with 1/4 tank or less of gasoline in your car.

Mike Koenen said that John Miceli should have no problem with that.

Unfortunately the show has been cancelled for the OCC because of impending weather.

John Miceli handed out the beautiful engraved

beer glasses to many of the club event coordinators for their service this past year.

The floor was opened to discussion as to new ideas for club outings. Don Delonjay said there were several events that have gone by the wayside in the past few years. He mentioned poker runs, Fox and Hound, Eureka Springs Corvette Weekend, A Pot Party where everyone brings a dish and going to the horse races at Fairmount Park.

Membership Chair, Suzanne Koenen, suggested a 'Drive-In Night'. Just \$11 per person at the Belleville Drive-In or \$8 if we can get more cars to go. She also suggested we do an auction of items that you may have around the garage or house at meetings and use the money to donate to charity.

Kendall Willis also suggested we pick a charity to be "Our Baby" that we take ownership of and responsibility for.

Another suggestion was the club extend a one year free membership to anyone who purchases a Corvette from Jim Butler Chevrolet. Our friends at the dealership can offer this to anyone who buys a Corvette from them as a sales tool.

Rick Poepping has painstakingly updated our website. So go and check it out! Nicely done sir!

Steve Majino is working to make our Facebook page a more user friendly page. It will be more like a personal page than a business page.

It was also suggested that folk's really look at the calendar before creating an event as so not to overbook our activities. It is understood that there is only so much nice weather but at times there can be as many as 3 or 4 events on the same day.

The board is concerned why we have lost some long time members the past few years. Your input is highly valued, so any suggestions are very welcome.

Dennis Osterhorn gave a report on the By-Laws and changes that are being suggested by the board. These proposed changes are on Page 4 in detail. There will be a vote on these changes at the February meeting. They basically deal with the changing of dates for nominations for officers/board members and the pending elections thereof, and the way checks are handled by the treasurer.

Events, Past and Present.... Vice President, Randy Vollmer

As it was the end of the year and beginning of the new year there were just a few things to report.

The Christmas party/December meeting was held on December 11 and was well attended.

The St. Louis Auto Show is scheduled for January, 24-27 however the pending weather has had too many folks not want to participate so that will not be happening this year. The Wednesday night dinners are listed on the calendar.

The St. John's Gildehaus Chicken Dinner is scheduled for Sunday, March 10. Rich Brewer says we will meet at the McDonald's/Motomart in Eureka at 10 am for a 10:30 am convoy to the church and some fine victuals.... *Randy Vollmer*
