## *Parental Involvement Policy Evaluation*

Lone Star School District's Title I Program encourages parent involvement at all levels. Parental Involvement is a key factor in the educational success of children; therefore, parents are vital to the successful implementation of the Title I program. Supporting this belief, our program policy for parental involvement reflects the requirements of *Section 1118 of Title I, Part A*.

### I. Involve parents in the joint development of the Title I School Parental Involvement plan and the process of review and improvement.

- Parents' suggestions and ideas will be considered in developing the program's plan.
- Title I will enlist a Title I parent to act as parent liaison to communicate parent suggestions and comments.

### II. Build a strong involvement.

- A Parent Night/Title I meeting will be conducted annually.
- Annual meetings will include a mini-parent literacy workshop (if funds allow).
- Parent surveys will be conducted to determine topics for workshops.
- Parents will be encouraged to visit classes and request conferences with their child's teachers
- A calendar of activities will be sent home at the beginning of the school year by each school.
- The calendar of activities will also be posted on the district's website.

### III. Conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the Parent Involvement Policy to determine: a) the effectiveness of increasing parent participation

- The Parent Involvement Policy will be reviewed annually by the LEA Planning Team.
- Attention will be given to determining the effectiveness of parent participation
