

LONGEVITY	Avoid Water and Steam for the First 24 Hours
CLEANSING	Use an oil-free, lash-safe cleanser and a lint-free applicator or a soft brush to clean the eyelash extensions
BRUSH EXTENSION	This helps prevent tangling and keeps the lashes looking neat
OIL-BASE PRODUCT	Oil can break down the adhesive and cause the extensions to fall off prematurely
SCHEDULE REGULAR REFILL	When removing eye makeup, including mascara, be gentle to prevent lash damage
