

## Team Social Media Representative Agreement

As a student selected to assist with managing the team's social media presence, you are representing the team, school, and coaching staff at all times. This role is a privilege and requires responsibility, maturity, and good judgment.

### Role & Expectations

By accepting this position, you agree to:

- Post content that reflects the team in a **positive, appropriate, and respectful manner**
- Ensure all content aligns with school values and team standards
- Use good judgment when selecting photos, videos, captions, and trends
- Maintain professionalism in all aspects of the account

### Boundaries

The following are strictly prohibited:

- **Messaging, replying to, or engaging in direct communication** with individuals through the team account unless explicitly approved by the coach
- **Searching for, monitoring, or "stalking"** individuals or accounts for personal or inappropriate use
- Posting any content that could be viewed as negative, inappropriate, exclusive, or harmful to any individual or group
- Sharing personal, private, or sensitive information about teammates, coaches, or others

### Accountability

- All posts should be made with the understanding that they represent the entire team
- Content may be reviewed or removed at the coach's discretion at any time
- You are expected to follow all school policies regarding social media use

### Consequences

Any misuse of the team social media account, including but not limited to inappropriate posting, violation of boundaries, or poor judgment, will result in:

- **Immediate removal from the team and this role**

I understand the expectations and responsibilities outlined above and agree to uphold them at all times.
