REDISCOVER YOUR JOY, PURPOSE & PASSION**

Celebrate Senior Life MINISTRY

Rediscover Your Joy, Purpose & Passion

For decades the senior adult members of our congregations have faithfully served their churches. Their legacy of faith made our churches strong. Yet, today many churches don't have the resources or staff to connect with these key members. Sadly, they are often forgotten since ministries now focus on connecting with younger generations.

THE CSL SENIOR ADULT CONNECTION

The outreach ministry of **Celebrate Senior Life (CSL)** fills this generational gap by engaging, inspiring and empowering senior adults to rediscover their joy, purpose and passion. CSL does this through informative and entertaining faith-based presentations, messages, events and books.

"Whatever you have learned or received or heard from me, or seen in me – put into practice. And the God of peace will be with you."

Philippians 4:9 - NIV

Start Making Your "HAPPY DAYS"

As senior adults, we have seen and adapted to more changes than any other generation in history. During our lives, we witnessed *Elvis* become the king of rock 'n' roll, the *Beatles* top the charts, men walking on the *moon* and *Michael Jackson* *moonwalk* to the top of pop. We went from *princess phones* to *smartphones*, from *Leave it to Beaver* to *Saturday Night Fever* and from *American Bandstand* to *American Idol*.

Yes, we had many joyful memories filled with HAPPY DAYS. Yet, our HAPPY DAYS don't have to be in the past.

Celebrate Senior Life (CSL) offers faith-based resources to make the rest of our lives filled with HAPPY DAYS.

Faith, Hope & Security: Biblical Financial Wisdom

In these uncertain economic times, although our politicians don't have a clue on how to fix this crisis, the Word of God offers the solution. **Faith, Hope & Security (FH&S)**, which is a Biblically-based event, provides the prayerful promises, principles and powerful tactics of financial victory through Christ. This hands-on event uses the activities found in the **Champion Steward's Guide** to teach a conservative financial plan, which is **ChristianNOMICS**.

In addition to learning 17 essential principles for living debt-free, **FH&S** provides several practical tactics to stretch and conserve our hard-earned dollars. (This information is extremely important for senior adults who are living on a fixed income.) **FH&S** also introduces the easy-to-implement **SEVEN BUILDING BLOCK STRATEGIES** that are designed to create, increase, manage and conserve our financial resources. (**FH&S consists of two 50-minute sessions.**)

GO THE EXTRA YARD: Empower the Champion Within

Like many young boys, my childhood dream was to become a professional football player when I grew up. However, despite my positive attitude and passion for the game, I was not a good athlete. In fact, I admit; I was spastic. So when the ball unexpectedly popped into my hands during a scrimmage game, I started to run for my life.

It is from this unforgettable experience that I discovered four keys to GO THE EXTRA YARD™ and EMPOWER THE CHAMPION WITHIN. During this 40-minute message (perfect for small groups, church services and conventions), I take you on a thought provoking, inspirational and fun ride that begins with me running over 80 yards toward the goal line. Through humor, inspirational stories, Scripture and practical insight, my message engages, energizes and empowers you to GO THE EXTRA YARD™ to become the champion you are meant to be.

Victory Verses

They will still bear fruit in old age,
they will stay fresh and green.

Psalms 92:14 - NIV

Do you do not know that in a race
all the runners run, but only one
gets the prize? Run in such a way
as to get the prize.

1 Corinthians 9:24 - NIV

Is not wisdom found among the
aged? Does not long life bring
understanding?

Secrets to Pop to the TOP & BEYOND SMELL THE POPCORN

Pop to the Top & Beyond

The smell of popcorn brings back fond memories of going to watch a movie with my grandmother. I remember how I was amazed to see the kernels of corn change into a tasty treat when faced with extreme heat. In the same way, when the seeds of our potential are transformed by overcoming the heat of adversity, we metaphorically SMELL THE POPCORN™.

Thus, a seasoned Popcorn Person™ is a Senior Adult who, like the kernel of corn, grows to his or her greatest potential when faced with the heat of adversity. Unlike a candy bar that melts into a gooey mess and takes the shape of its container, a Popcorn Person™ defines and shapes his or her destiny by growing from a challenge.

This faith-based 40-minute message provides life-changing secrets to turn a setback into a setup to rediscover your joy, purpose and passion.

Champion Stewards' Guide to Empower a DEBT-FREE LIFESTYLE FOR SENIOR ADULTS

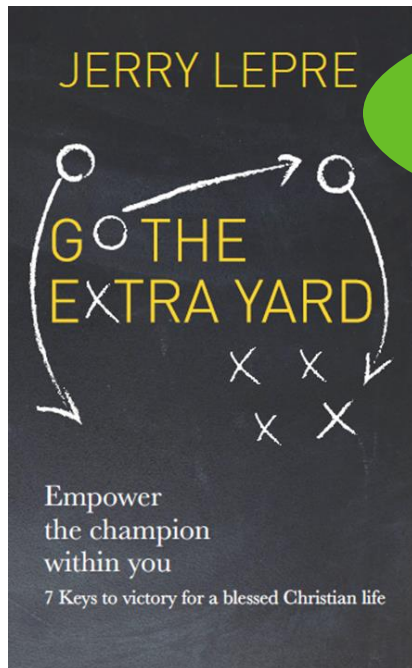

Rated as high as 109 by Amazon for Christian Stewardship Books

The way we handle our finances and possessions is so important to God that the Bible refers to some aspect or form of wealth in over two thousand verses. Yet despite this overwhelming Biblical insight, few churches teach God's financial message that applies specifically to senior adults.

As a result, the purpose of this study guide, which is the companion workbook for **ChristianNOMICS For Seniors**, is to help fill this void. We do this by teaching God's spiritual and practical financial wisdom through a hands-on format that creates and conserves wealth while eliminating debt (Demo-Debt Method). These easy-to-follow faith-based strategies and tactics transform ordinary stewards into debt-free Champion Stewards.
