

Frequently Asked Questions

About The Fluent Space at Monade Academy

 **What is The Fluent Space?** The Fluent Space is Monade Academy's academic coaching center focused on building confident, capable learners through personalized support in reading, writing, and language development. It offers two specialized coaching tracks:

 Reading Reimagined – for literacy support  English Connect – for English Learner (EL) support

 **How is academic coaching different from tutoring?** Tutoring often focuses on helping students catch up on missed work or homework help. Academic coaching goes deeper—it's personalized, research-based instruction that builds lasting skills in reading, language, and comprehension. Our coaches use proven strategies like the Science of Reading and SIOP to address the root of learning challenges, not just the symptoms.

 **Who is this program for?** The Fluent Space is designed for K–5 students who:

- Need support learning to read or improving reading fluency/comprehension
- Are English Learners developing academic English
- Need extra guidance to feel confident and successful in school
- Thrive in small group or individualized settings

 **Who are the coaches?** Our academic coaches are certified educators with experience in early literacy, language development, and multilingual learner support. All coaches are trained in evidence-based strategies, and most have classroom and small group intervention backgrounds.

 **What is the schedule?**

- Sessions are held once or twice per week, depending on the student's needs.
- Each session lasts 45–60 minutes
- Families can choose 1:1 or small group (2–4 students) formats
- Available in-person in Franklin, KY, or virtually

 **What does it cost?** Pricing varies based on group size, frequency, and format (virtual or in-person). Discounts are available for:

- Young Explorer Squad Summer STEM Camp participants
- Siblings enrolled together

👉 You'll receive exact pricing after your free Discovery Call.

 **How will I know if my child is making progress?** We use regular progress monitoring tools, family check-ins, and coach feedback to keep you updated. You'll receive updates on the goals your child is working toward and how they're growing in specific skill areas like decoding, comprehension, or academic vocabulary.

 **How do I get started?** Easy! Just follow these steps:

- 1 Book a free Discovery Call
- 2 Join the Interest List
- 3 Get matched with the right coach and plan
- 4 Begin your child's growth journey at The Fluent Space!
