INSTITUTE

**Armed with Education**

---

*Your child's education is our mission*

## **Ethos, Vision, Mission & Values**

**ATI Institute provides a learning environment where every learner can achieve their potential to the fullest of their ability.**

### **Vision**

**Where learners achieve personal success in the learning and become responsible citizens and productive members of the society.**

**ATI your key to success in life.**

### **Mission**

**ATI's mission is to provide superior quality, comprehensive and meaningful education for all our learners. Each learner will be expected to succeed within the bounds of their abilities and their chosen educational goals.**

**At ATI we believe that we could assist each and every individual to reach their fullest goals. Teach learners to develop personal skills, critical thinking and technology skills by being actively involved in the learning process. To provide learners with life time skills, continuous commitment to development learning skills, ensure they are well equipped and self -guided into their lifelong journey. Our educators possess a high degree of professional integrity and are well qualified.**

### **Values**

**Provide a safe learning environment.**

**Values of respect.**

**Acceptances of diverse cultures.**

**Discipline and manners**

**Commitment to teamwork**

**Learn**

## Introduction

### Who we are?

Amazing Troopers Institute is a Homeschooling centre situated at no. 9 Jacobnanni Place North End East London 5201 Buffalo Street.

Amazing Troopers Institute aim to provide a safe learning environment with a welcoming atmosphere which creates a sense of belonging amongst the families. We maintain an inclusive environment which acknowledges and respect children from diverse family and cultural backgrounds. We offer learning from Grade R-12 the curriculum is in line with the Department of Education specifications CAPS. ATI recognises that the country is moving into a digital platform hence most of the learning programmes will be done online with the help of qualified Educators facilitating the learning process.

### Rationale of our Home Schooling

A development for advanced individual personalised tutoring for students and optimal learning.

1. Learners who are keen in starting their career with solid foundation.
2. Platform for learners with learning difficulties and are frustrated at the normal classroom setup by the mainstream schools.
3. Learners with serious comorbidities.

4. Where mainstream education is not in the learners best interest.
5. Learners will benefit from smaller learning groups.
6. Learners who need flexible schooling.

## **Create Active Learners**

We allow learners to use technology to become actively engaged in class.  
Aim to promote long term development skills and success of every student.

## **Enhance Group Participation**

With the use of a variety of technological tools teachers can engage the entire class of all students to participate simultaneously.

## **Engage Learners and Enhance Feedback**

By captivating programs, student interaction with key content is increased and feedback is enhanced.

## **Admission and School Hours**

All Grades and school hours

Grade R - 3 Mon. to Friday 8:00 am to 12:30pm
