

Aesthetics

Chemical Peels

Peels are used to remove the outer layers of skin on the face to reveal smooth new skin. **Starting at \$200**

Facials

Following a professional analysis, our aesthetician will customize your treatment to ensure the best results. **Starting at \$120**

Microdermabrasion

A skin resurfacing tool to even out and smooth the skin's surface. Can be done alone or with a chemical peel. **Starting at \$100**

Dermaplaning

Dermaplaning is a non-invasive procedure that exfoliates the surface layers of the skin and removes vellus facial hair, resulting in a smooth, even complexion. **Starting at \$75**

Microneedling

Stimulates the production of new collagen by puncturing the dermis with microscopic needles. The treatment utilizes the skin's ability to heal itself, in turn triggering the production of new collagen. **\$199.00/tx or \$700 for package of 4**

Botox/Jeuveau

Botox & Jeuveau is a purified protein administered in a simple, nonsurgical procedure to temporarily reduce the lines between the brows, the forehead, and the fine lines around the eyes. Results can last up to 5 months. **Per area: \$250 to \$350**

Dermal Fillers

Dermal fillers are a substance called hyaluronic acid (HA) or calcium microcrystals that are injected into the wrinkles and folds in the face.
